Labor for non-war work.

who are only partially in war ing. All the boys get good trainwork, will be asked to distribute ing before they leave, and when the local quotas from time to they pile onto the trucks and Quotas by localities and individuals are to be accepted as readily as they are for Liberty Loan and Red Cross campaigns. This plan of labor quotas is a protection for all communities.

The object is to keep any community from being drained of labor, and to use local supply, as far as possible, for local demand. The situation, however, is such that in certain cases some men may have to be transported over long distances.

Vacation models of victrolas looked up at the doctor and take up little room and afford stammered, "D-Dick! Why. abundant pleasure. Take one its only a pearl button!"-Ex- the war in a million homes. Everybody stops buying. along. Currin Says So.
