THE REVIEW is entered at post office

of the second class under the Act of
Congress of March 3, 1879.

The game of ball scheduled for
last Sunday at the local grounds
was called off, as was also the
one scheduled for Labor Day.
Base ball season is now over.

On Sunday afternoon at two
o'clock at the First Congrega-
tional Church, Vancouver Wash.,
Miss Ida M. Fassett, daughter
of Mr. and Mrs. G. D. Fassett,
was united in marriage with Mr.
Cleve McClelland Eaton, the Rev.
W. LeRoy Zabel officiating. The
bride is a popular young lady of
St. Johns. Mr. Eaton is a
Portland Academy and Univer-
sity of Idaho man and is con-
nected with the Northwestern
Electric Co., Portland. Their
honeymoon will be spent in
motoring thru Oregon the next few
weeks, then thru Washington,
incidentally visiting Mr. Eat-
on's properties, including the old
Eaton homestead, "Clevedon."
This is the fourth wedding to
occur in the Fassett family with-
in the last year.

High School Notes

H. H. Dunkelberger is the new
teacher of the commercial de-
partment. Mr. Dunkelberger
is a man of some years experience
and comes from Dallas, Oregon.

In the work in Spanish this
year Mr. Gitz instituted the
use of the phonograph known as
the Corbin phone-methods. A
portion of each period is de-
voted to one or more speaking
records.

The H. school is much regretting
the absence of Mr. Strong
this year. He has accepted work
in the Agricultural College at
Corvallis. No one has yet been
secured to take his work in
James John.

The boys of the H. S. are back
almost without an exception,
for they realize that school train-
ing will stand them in good stead.
What special adaptation of the
courses may be made to serve
the emergency has not yet been
determined.

The girls of last year's peda-
gogy are most happily placed
for their work at good salaries.
Jennie McNi'en and Marion
Dunsmore go to Antelope, Ore-
gon, where they will work in the
same school. Marie Boschero
and Martha Holter will be near
Oregon City.

The opening registration was
very encouraging, over fifty
new students entering the
advanced classes in addition to the
Freshman class. The total num-
ber on the first day was 255, and
many others will be back during
the next week. To accommodate
the growth, a portable of two
rooms has been erected on the
north side of the lawn. This,
it is hoped, will free the gymna-
sium for its regular work a-
gain.

The assembly on Tuesday,
which was held to greet both old
and new students, made the en-
tire school feel the seriousness
of the work now set for us to do.
An address by Mr. Fletcher im-
pressed this more fully upon
every one. He has been re-
cently appointed to serve upon
the board of instruction to draft
men, and in preparation for
his duties he visited Camp Lewis
during the summer. He gave to
the assembly a fine appreciation
of the spirit with which the
thousands of U. S. soldiers there
are working and of the clean,
wholesome life they are living.

For Friday, Lafayette-Maine
day, this patriotic program has
been prepared: Music, the Star
Spangled Banner and the Mar-
sellaise; Biography of Lafayette,
Melford Waselder; Apprecia-
tions of Lafayette by Gwenyth
Young, Washington by Hazel
Greene; Joffe by Gordon Avery;
Poeh by Joyce Mason; Pershing
by Merle Harrington; how the
friendship between France and
America has been cemented, by
Romaine Brand; a study of the
western battle front by Danby
Coon; the story of the battle of
the Marne, by Genevieve Brown.

The J. J. boys who have added
a star to the school service flag
since last spring are many.
From those who were in school
last year are Willis Vinson,
Chas. Spackman, Percy John-
ston, Earl Keliher. Those who
attended school earlier are Cyril
Magone, Fred Mariett, Everett
Smith, Frank Wright, Jerome
Whisler, Lawrence Layton, Geo.
Hufford. Among the boys who
will be in the Students, Army
Training Corps are Russell Mey-
er, Louis Dunsmore, Edward
Howard and Randolph Howard at
U. of O., Delbert Day at O.

**It is Just What
Uncle Sam Wants**

At the request of the U. S. Food Administration, our Company has loaned one of our Modern Electric Ranges to be used for the Food Con- servation demonstrations now being conducted in the Liberty Temple.
Do you want any stronger approval of any cooking de- vice than this?
Uncle Sam asked us for an Electric Range because it fills the bill better than any other Cooking Device made.
We urge all housewives interested in the patriotic service of their country as well as all who want their kitchens equipped with the most modern, convenient and reliable cooking appar- atus to visit the Liberty Temple and see for them- selves just what an Electric Range will do to reduce their household burdens.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh is a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken in- ternally, acting directly upon the blood and mucous surfaces of the system, there- by destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.
