

Did one of these 200 letters come to you?

A DUSTY courier slid off his motor-cycle at the big double hut in a French town and tramped up to the canteen.

"Got a note for the secretary from my commanding officer," he said. He handed a piece of paper across the counter to a smiling middle-aged man.

This is the note the Secretary read:

We landed here three days ago—miles from anywhere. Can you send us some supplies, especially writing paper? This is the first chance the boys have had to write home and we have no paper to give them.

The older man looked up and grinned.

"Got you away off in the woods, have they?"

"I'll say they have!"

"Can you carry anything?"

"All you'll give me!"

From the shelves the secretary took big packages of paper and envelopes.

"Too much?" He asked.

"It will be gone ten minutes after I get back!" said the boy.

"Tonight," the secretary went on, "I'll drive out a truck with more supplies and a man to stay with you. And tell the boys that if their letters are finished, I'll bring them back with me tonight, and get them into the mails."

An hour later that motor-cyclist whizzed into camp, loaded down with writing paper, and in ten minutes letters were being written to 200 American homes.

The United War Work organizations know what letters mean to American soldiers. They know that fighters want to get letters and want to write letters.

So in every hut and on every ship your boys find writing paper, envelopes, ink, pens and pencils, and tables where they can get off by themselves and tell the folks back home how things are going.

Millions of sheets are given away free every week to American boys overseas. That is why the letters you get from your boy are written on the stationery of one of these organizations. It is one of the plans to bridge the Atlantic. Help keep the letters coming! Your dollars will supply a whole Company for several days. Dig deep today; help to bind together France and here.

Why you should give twice as much as you ever gave before!

The need is for a sum of 70% greater than any gift ever asked for since the world began. The Government has fixed this sum at \$170,500,000. By giving to these seven organizations all at once, the cost and effort of additional campaigns is saved.

Unless Americans do give twice as much as ever before, our soldiers and sailors may not enjoy during 1919 their:

5,600 Recreation Buildings	2,500 Libraries supplying 5,000,000 books
1,000 Miles of Movie Film	85 Hospitals
100 Leading Stage Stars	15,000 Big-brother "secretaries"
2,000 Athletic Directors	Millions of dollars of home comforts

When you give double, you make sure that every fighter has the cheer and comfort of these seven organizations every step of the way from home to the front and back again. You provide him with a church, a theatre, a cheerful home, a store, a school, a club and an athletic field—and a knowledge that the folks back home are with him, heart and soul!

You have loaned your money to supply their physical needs. Now give to maintain the Morale that is winning the war!

MISUNDERSTANDING CLEARED UP

A misunderstanding relative to the canteen work of the Y. M. C. A. has been cleared up by the War Department, which issued the following:

"Matter of prices asked by Young Men's Christian Association for its articles sold in canteens overseas already investigated by war department and condition is being remedied. The Young Men's Christian Association was originally asked by General Pershing to run the canteens for the army on a cost basis. In order to do this it had to reckon in price fixing such overhead charges as transportation charges and marine insurance so that prices were much higher than in this country."

"The Young Men's Christian Association made no profits, but lost thousands of dollars. Arrangements now made will enable them to obtain supplies from sources that will reduce overhead charges and keep prices down."

Huts for Nurses.

Huts for nurses are maintained by the Y. W. C. A. at the base hospitals in France. To extend this work a portion of the United War Work funds to be raised in November will be used.

PERSHING'S "DO WITHOUT IT" CLUBS

Organization of "do without it" clubs in America, as a means of aiding the United War Work campaign, which open November 11, was recommended by James F. Pershing, brother of General Pershing, in an address delivered recently in Portland in behalf of the drive. He urged the American people to make some sacrifices in order to help "carry on" the great undertaking that is to furnish money for war work in the battle zone during the coming year. A great percentage of American people, he said, do not know, from any sacrifices made thus far, that a war is in progress. Relaxation of activities because of peace proposals, he declared, should not be tolerated, and asked people of the country to throw their whole energy and co-operation behind this latest drive for securing funds for the seven big war working agencies organized in the campaign.

"CARRY ON," IS OFFICIAL CRY

The caution issued recently in Portland by James F. Pershing, brother of General Pershing, against relaxation of war work activities, has been echoed in messages issued by departmental heads in Washington, D. C., copies of which were sent to Executive Secretary John Kollock, of the Oregon State Council of Defense. "Carry on" is the theme of those telegrams, whose senders felt the German peace proposals might interfere with campaign plans just formulated. Consequently, the United War Work drive, which opens November 11, will be conducted with even more vigor than had Germany not sought to bring about peace on her own terms. The departmental heads, as well as Mr. Pershing, emphasize the need of continued activities by the several affiliated organizations participating in the drive, even after hostilities have ceased.
