The Candy Ban Partially Lifted

The Grabateria Cash and Carry Grocery will be privileged to sell a limited amount of candy for the holidays. When limited amount is stated it means that the Grabateria will have enough to supply the reasonable demand of its large following of patrons.

The other items that go to make up the Christmas Cheer are large quantities of nuts, raisins, oranges, bananas, apples and all the palatable canned goods such as peaches, apricots and pineapples.

In fact The Grabateria has an abundance of all the requirements in the Grocery line for a Christmas dinner.

The prices are a large factor in the purchase of a Christmas dinner but at the Grabateria the cost will not be as it is in the old way of selling groceries. Because we sell only for cash; we pay no bookkeeper, very small amount for delivery and we buy in large lots.

UNSELFISH GIFT

No other gift can bring such all-round pleasure to so many people as The Brunswick Phonograph. The entire family and all one's friends can participate in this enjoyment.

It is for this reason so many people choose The Brunswick as a Christmas gift—and why so many families "pool" their Christmas money; so that all gain far more satisfaction than in receiving small, individual presents.

The tendency this Christmas is "a worth while present for all" rather than "a knick-knack for each."

"The Brunswick is an ideal choice. It will prove an ever-present delight for years to come. This super-phonograph plays all records as they should be played—the tone is superb. Hear it today. Decide early. Avoid the rush later."
