## We Have Tried Both Ways

The Scales & Currier Cash Grocery is managed by  
men who have tried both methods of running the  
Grocery Business. They know they can beat the  
store that runs the red tape of the Credit Accounts.

It cannot be said that you are not trusted as the  
only cause of selling for strictly cash for we have  
trusted almost every body in this locality in times  
past. But the business is on a Cash Basis now for  
very good reason that we can get more business be-  
cause we can undersell the credit store. And we can  
beat the City Store because we are closely connected  
with our trade; because we have one of the largest  
stocks on the Peninsula, if not the largest, and be-  
cause we do not have to pay two people to make the  
trip all the way from Portland to deliver the goods.

Just try it for a month and you will be convinced  
that you are saving money.

bers of the Order and their

ing; bring cake.

The St. Johns Chautauqua will  
again be here next month, and  
it is promised to be more inter-  
esting and instructive than any  
of its predecessors.

Jeff Haylett, the enterpris-  
ing and hustling laundry man,  
has added a fine new pressing  
machine to his equipment.

At the Multnomah Field meet  
last Saturday, Elvin Goodman  
won first prize in the 120 yard  
hurdle race and also the first  
prize in the 100 yard dash.

Rapid progress is being made  
in the construction of the em-  
ployees' entertainment hall at  
the Woolen Mills. This is a  
fine example of a company's  
regard for the welfare and en-  
joyment of its employes.

The Baccalaureate sermon  
for the June '19 graduating  
class will be held at James John  
High School building, Sunday,

The musical reception given

Mr. Carruth and Miss Smith, at  
the Congregational church Tues-  
day evening, was an enjoyable  
and entertaining affair.

The Portland Manufacturing  
Co. has taken out permits for

Are you going to make a new  
sweater for yourself? The  
following books have some good  
patterns: Crocheting and Tat-  
ting Manual, Antique Design or  
Spider, Fillet Sweaters, Utopia  
Yarn Book 1918, Summer  
Sweaters, Fifteen New Cro-  
cheted Yokes. These are new  
books at the library.

It would seem that the St.  
Johns library is a repository  
for other things than books  
judging from the number of  
caps, gloves, umbrellas, baseball  
mitts and other miscellaneous  
articles left and not called for.  
We are thinking of having an  
auction and using the proceeds  
to buy a new flag which is much  
needed for the library. How-  
ever, we will give losers a last  
chance to come and claim their  
property.—Reported.

Rev. E. Burton, pastor of the  
local Baptist church, has been  
invited to supply the pulpit of  
the First Baptist church of San  
Francisco on June 8th and 15th,  
which invitation he has accepted  
and left for that city on Thurs-  
day evening. The local pulpit  
will be supplied Sunday fore-  
noon by Mrs. Burton. There  
will be no evening service, the  
congregation uniting in the  
Union service at the High  
School.

have returned from Prescott,  
Arizona, where they had spent  
about four weeks with their son,  
in Uncle Sam's service, and  
who had been quite ill. He is  
now getting along in fine style.

of, be provided with good sized

will be decided definitely later,

At the session of the Free

church in St. Johns, located at

The piano recital presented by  
the pupils of Miss Georgia  
Rich, assisted by Elmer Sneed,  
violinist, given in the James  
John High School auditorium  
last evening, was an most en-

case when Miss Rich's pupils  
give a recital, the attendance  
was large and the excellent pro-  
gram thoroughly enjoyed. All  
participants acquitted them-  
selves superbly. The program

This week and next Sunday is  
the anniversary of the old time  
Pentecost. Devout Jews make  
much of the occasion in com-  
memoration of the giving of the  
Ten Commandments on Sinai. Il-  
luminated Christians honor it  
for the same reason, and for  
the still greater reason that on  
that day Christ's first disciples  
were "all filled with the Holy  
Spirit" and empowered for their  
world winning task. St. Johns  
Methodists will honor the day to  
the full at the morning service,  
Evening at High School bac-  
chelorials. J. H. ...
