

DAVIS' BARGAINS

Four room house in best part of St. Johns, dandy lot, has some fruit and lots of roses. Lot well worth the money asked for the place; on improved street. Price \$600. \$150 cash, balance \$10 per month, with 7 per cent interest.

11 room house with 8 bed rooms close to industries where it can always be kept full of roomers if desirable, nice river view, fine fruit on place. It would cost \$3,000 to duplicate this place. Price \$1600-\$500 cash, balance \$10 per month with 7 per cent interest. This house is comfortable and it beats paying rent a city block.

Six room plastered house, not modern, good close in location, streets improved and paid for. Lot 371 2x100 with fine cherry trees and other fruit. Price \$1,000. Terms as low as \$100 cash and balance \$10 per month with 7 per cent interest. This house is comfortable and it beats paying rent a city block.

Five room modern bungalow with lot 75x100 streets, improved and paid for, \$1600. This is a Jandy and is worth more money. It will be necessary to pay about \$700 cash and then \$10 per month with 7 per cent interest to get this. If you see it you will want it.

A Jersey street lot 50x100, close in to the center with all improvements in and paid for, \$2000. You can have some good reasonable terms on this if desirable. A fine business lot and cheaper than anything around it.

Private Peat at Chautauqua

Famous Canadian Writer and Lecturer
Coming on the Sixth Night

Private Peat is coming to Chautauqua! You have undoubtedly read his story in the Saturday Evening Post. You have perhaps read his book, "Private Peat," which has run through an edition of a million copies and is still one of the "big sellers" of the day. Or you may have seen him in his "movie" production. Now you can hear him—hear from his own lips—the wonderful story of the early days of the war as only Private Peat can tell it. "Two Years in Hell and Back with a Smile" sums up this heroic Canadian in a few words. He came back from France with one lung gone and his left arm hanging limp, but with his indomitable spirit unbroken and his rare sense of humor unspoiled.

Trefz on Chautauqua Tour

Coming West With Great Business Lecture on Reconstruction

Edward F. Trefz, formerly assistant to Herbert Hoover, will be one of the principal lecturers at Chautauqua this year. He was sent overseas in 1918 by Hoover as a member of the American Food Mission to investigate food conditions in France, Belgium and England. On his return he gave to audiences in a hundred cities one of the most vivid and graphic descriptions of the European situation and the need for reconstruction.

Deafness Cannot Be Cured

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by the constitutional method. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a running sound or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever. Nine cases out of ten are cured by Searle's Cure, which is nothing but an inflamed condition of the mucous surface.
