Fire caused by a short circuit  
in a fuse box, destroyed the fire-  
man's room at the North Port-  
land Box factory below Kent  
about 11 o'clock Wednesday  
night. Damage is estimated at  
\$10,000 by the fire marshal.  
The fire started from a spark  
thrown out from the fuse box  
when Dave Lindlaw, night fire  
man, turned on a switch. Two  
other men assisted Lindlaw in  
pouring water on the blaze, but  
they were unable to check it.  
A call for help brought the  
night employees of the Monarch  
mill, Union Meat company and  
fire engine 30 and 32 to the  
scene.

C. C. Thomson, instructor in  
civils for the past two years at  
the James John high school, left  
last week for Washington, D. C.,  
where he will enter upon his  
new duties in connection with  
the educational department of  
the United States navy. Thom-  
son's work will be as a field  
agent, taking him away from  
Washington much of the time.  
He will be in the same depart-  
ment to which L. R. Alderman,  
formerly city superintendent of  
Portland, was recently appoint-  
ed. Thomson was accompa-  
nied by Mrs. Thomson and their  
little daughter Cornelia.

Election of officers took place  
Monday of last week at the an-  
nual meeting of the W. C. T. U.  
at St. Johns. The following  
were elected: Mrs. J. C. Scott,  
president; Mrs. L. Kattiger,  
secretary; Mrs. Sarah Trivett,  
treasurer. Delegates were nam-  
ed also to attend the county con-  
vention. These included: Mrs.  
J. C. Scott, Mrs. F. J. Kerr,  
Mrs. L. Kattiger, Mrs. B. C.  
Cook, Mrs. F. R. White, Mrs.  
A. Olson. An address in the  
interests of the Albertine Kern  
Nursery drive was given by  
Miss Janet Pendleton.

Of special interest to the Pen-  
insula district in the announce-  
ment made by A. F. Higgins,  
vice president and general man-  
ager of the Pacific Steamship  
company, that weekly in-  
stead of monthly sailings of  
vessels in the Orient will be  
inaugurated by his company  
within the next six months.  
The Oriental vessels of the Pacific  
Steamship company dock at  
the St. Johns terminal and weekly  
sailings would mean that a  
considerable number of men  
would be employed there all  
the time in loading the vessels at  
this company alone.

Assailing of the parts for  
the vegetable oil storage tanks  
which will form an important  
unit of the terminal has begun.  
The concrete foundation for  
these tanks has already been  
constructed. Six tanks have  
been contracted for. They will  
have a capacity of 10,000  
barrels. The Pacific Steam-  
ship company has been given  
assurances of full cargoes on  
the return trips of the four  
freighters running between  
Portland and the Orient, as  
soon as facilities for storage of  
vegetable oil are provided here.

The United Artists will hold  
an entertainment and dance  
Tuesday evening, Sept. 20th,  
at L. O. O. F. Hall. Admittance  
is invited to this affair. In-  
vitations will be sent out to  
friends of the lodge by com-  
mittee. If you are an Artist  
make yourself known to the  
committee and dance. Good music  
and a good program is being  
prepared by our committee.  
—Reported.

Mr. and Mrs. Dick Darnell of  
Kelso, Washington, motored up  
Tuesday to spend a few days in  
Portland. Mr. Darnell is well  
known among the young people  
of St. Johns, having lived with  
his aunt, Mrs. E. C. Cook, for a  
year, attending the Benson High  
School. Mr. and Mrs. Darnell  
were married about two weeks  
ago at Katama, Wash.
