Life is Largely Habit

Habits are much more easily established than they are broken; ask the man who smokes.

The men who own the Cash and Carry Grabateria Grocery were so thoroughly established in the habit of charging groceries it took a long time to recover. But now that the new program is to sell for cash we are getting rapidly grounded in the new order and would not think of going back to the old way.

This holds good with a large following of customers who changed their method of purchase because the method of selling was changed and they too, are highly pleased because it is money saved each time a purchase is made. Why should they not save. The cost of doing business is less and we have been willing to sell our groceries in keeping with the reduced expense. Give us your grocery business for a month and we will prove our statements.

INSURANCE FACTS

With replacement costs more than double what they were in 1914, the property owner who was fully protected by insurance at that time, is now less than half covered unless he has increased his fire insurance in proportion to the increased cost of replacement.

Fire insurance is the only commodity we know of that is cheaper than it was five years ago.

We represent ten of the largest companies writing fire insurance in the United States. Their combined assets give us the largest writing capacity of any agency in the city of Portland.

We can give you immediate coverage and delivery of policy. Prompt and equitable settlement in case of loss.

With heavy interests in the community, a thorough knowledge of all lines of the insurance business, lowest rates and best of companies, it is not reasonable to suppose that we can give you better and more valuable insurance service than the wandering solicitor who may or may not be in the business when your loss occurs?

PLACE YOUR INSURANCE BUSINESS AT HOME and when a loss occurs you will be dealing direct with an agency you know and one that will give your claim the attention it deserves. Phone Col. 161 for rates. PENINSULA SECURITY COMPANY.

Lost—Small fox terrier, right front leg had been broken; lost Tuesday night. Finder notify Wm. McDonald, 414 Oswego street.
