## The Consumers Harvest

Mrs. Housewife:—

Right now is your time to place orders for just as large a supply of Groceries as your Cash Buying Ability will permit.

It is not a matter of making money with the several Grocers of St. Johns; just now it is "who can sell the cheapest" and the consumer gets the benefit.

While the merry war is on among the Grocery Fraternity now is your time to reap the harvest.

The new order of Cash Grocery Business in St. Johns has increased the sales many fold as the prices are so favorable as compared with the city stores that the Grocery Business stays at home, which is just right. Look at these prices and buy all you can of any of the articles.

The Standard Small Loaf Bread, 2 for 15¢  
Fresh Bulk Crackers, per lb. 18¢  
Graham Crackers, per lb. 20¢  
Royal Peanut Butter, 2 lbs. 35¢  
Eagle Brand Mi.k, per can 25¢

We can only make these prices and many others equally as favorable and live because of quality buying.
