**Thrift Week Observed**

In commemoration of the birth of Benjamin Franklin, master of thrift, last week was being observed throughout America as THRIFT WEEK. The American Bankers' Association endorsed the following Ten Commandments of THRIFT. Check them off and see how many of them you are living up to and then resolve to obey the rest of them this year:

1. Make a budget.
2. Keep an intelligent record of expenditures.
3. Have a bank account.
4. Carry life insurance.
5. Make a will.
6. Own your own home eventually.
7. Pay your bills promptly.
8. Invest in War Savings Stamps and other government securities.
9. Spend less than you earn.
10. Share with others. Thrift without benevolence is a doubtful blessing.

Our FAMILY BUDGET and HOUSEHOLD ACCOUNT Book will help you to adhere to the first and second commandments.
