THE REVIEW is entered at post office in Portland, Oregon, as mail matter of the second class under the Act of Congress of March 3, 1879.

Every citizen of the lower peninsula should become a member of the St. Johns Community Club. Its purpose is a most laudable one, the betterment of conditions on the lower peninsula. There are still a number of things that this community should have and is entitled to, such as better streets, playgrounds, community house, new high school building, hospital, roadway to the Swift Packing plant, trolley extension to the terminal, roadway enclosing the lower peninsula limits, and later on a high bridge across the Willamette and a ship channel across the peninsula adjacent to the terminal. The larger the club membership the easier it is to secure the things needed. All the requirements for membership are that one be a boner for the lower peninsula and pay a dollar. Most any citizen ought to be able to measure up to these qualifications. Why not join and do your bit in a worthy cause?

The Portland Junior Department of the Monday Musical Club under the direction of Mrs. Emma Welch Lantry is the largest Federated Junior Club in the West. Excellent children's programs are given by the pupils of the leading teachers of the city every Saturday at the Monday Musical club rooms, 148 13th street from 1 to 2 p. m. Saturday, March 6th, Little Louise Rice, the charming little six year old daughter of Mr. and Mrs. Frank A. Rice of St. Johns, will appear on the program, also one of Mrs. Rice's talented pupils, Helen Prichard of Fiedmont. Mrs. Rice's pupils will appear from time to time on these programs.

J. H. Anson was seriously injured yesterday afternoon when he fell through a hole in the wharf at the Peninsula lumber company plant and a load of gravel was precipitated upon him. He was taken to St. Vincent's hospital.

The W. C. T. U. meeting will be held at the library Monday at 2 p. m. Wanted—Kitch helper at once at Rose City Hotel. Phone Columbia 125.

"BUY NOW" IS HELD SLOGAN TO BILK PUBLIC

Helena, Mont.—Denouncing what it terms misleading "buy now propaganda" and affirming that investigations have disclosed excessive profits, the Montana Trade Commission today made public a detailed statement showing percentage of profit charged in the state.

The commission finds the margins of gross profit range from 24 per cent on groceries to 67 per cent on women's clothing and shoes, 59 per cent on men's clothing and shoes, 62 per cent on dry goods, 60 per cent on children's apparel and 62 per cent on building.

The commission disputes the widely circulated assertions that prices are certain to rise. "This propaganda should be ignored," it says, "as prices are bound to decline."

Hold on to your dollars. Put them in War Savings Stamps now. They will be worth more later.

Fresh Butter and Eggs

We are very particular as to where we buy our butter and eggs. Only those farmers whose products we know are always right can deal with us.

You can profit by our discrimination if you trade here. And you can be sure that we are just as particular about where we get our creamery butter as we are about the dairy butter.

Our prices stand comparison. L. SIMMONS & CO., Grocers 501 Pessen/ten Phone Columbia 210

We've got That Range you want.

Dear Mary— I was not thoughtful when I furnished my home last. I did not get the right kind of a range. I tried to "save" in the wrong place. So the other day I gave my old range to my washwoman who needed it and went down to H. F. CLARK'S and bought a new one. What a difference it makes! Women who must slave hours every day in a hot kitchen should simply DEMAND of their husbands the most convenient range. I wouldn't go back to my old one for one year for ten times what my new one cost.

Your friend—HELEN. P. S. You just go down and see the new ranges at H. F. CLARK, the Furniture Man 400-402 S. Jersey St.
