Our Prices are Lower

BONHAM & CURRIER

Our Prices are Lower

Baby Clothes

Our lines of Baby Wearables is complete; we have everything for your infant child from a knitted jacket, bonnet, booties, bands of wool, cotton and wool mixed. We have coats for one, two and three year old; we have dresses and skirts, Reuben shirts and wool hose, and silk and wool hose. That baby can be clothed at our store.

Blankets

The cotton blankets are a fine covering for this season of the year. Cotton blankets are light, warm, serviceable, sensible. Our season-end stock of these is larger than it should be. The prices are lower now than they will be later; lower because we have had them longer.

Shirts

The season-end flannel shirts are fading away; they are fine for out of doors men this time of the year. Health is wealth, you know and one of these Racine Flannels may save much in loss of time and Doctor bills.

Socks

Men's Socks are high; we advise darning to the very last limit; that man or boy is fortunate who has his grandmother around who has nothing to do but to darn.

When you must have new socks buy the good ones we have stocked so generously before the highest market was reached, and we give you the benefit; no replacement prices on our goods.

Bargain Shoes

Women's Shoes, most of them sizes from three to five and one-half, suitable for home wear at old time prices, \$2.00 to \$4.00. There are a few sizes left but nothing larger. Some Misses sizes; perfectly good school shoes \$1.50 to \$2.50 sizes 13 to 2. None larger than 2 and none smaller than 13. These are all first class stock and shoe making but are not new models.

Buster Brown Hose

This brand of Hosiery is becoming a household word in St. Johns. We are giving you extra values in this line and it includes Misses, Children's and Ladies' sizes and vary in price from 35¢ to \$3.00 a pair and are carried in Brown, Black, White, Grey.

SUITS

We know our Men's and Boy's Suits are priced cheaper than in the city stores because they cannot buy the same lines for a cent less than we buy and our overhead expense is at least ten per cent less. And we can make any man or any boy in St. Johns an attractive person if he will let us line him up with one of the nifty new suits that are now arriving.

L. E. ROSE, Mgr. Men's Dept.

We do not tease you to buy.

We try to tell you what we sell.

We learned our lesson well.

If we do not treat you right, we know you will go elsewhere.

extended an invitation to the Community Club and Business men of St. Johns last Tuesday evening; about 400 accepted their offer and was very kindly guided through the Plant and saw the process of the Bread, from the Flour until it was wrapped by machinery and packed, ready for delivery, and was entertained later in the evening with all of the good things to eat. We are headquarters for their famous bread: Holsum, American Maid, Raisin, Rye and the big seller Tip Top, fresh twice daily, 2 for 17c
