**DISCUSSES PROBLEMS OF RECONSTRUCTION**

Carlton Chamberlayne of New York at Chautauqua.

Carlton Chamberlayne of New York, one of the most effective public speakers of our time, brings a sane message on reconstruction problems for all true Americans in his lecture "Tomorrow" at Chautauqua on the second afternoon.

Chamberlayne is known throughout the East as one of the closest students

of national issues and of the perplexing problems of the present day. His editorial work on one of the big New York papers has given him the training for clear analysis and terse expressions. His writing and lecture work is characterized by originality, independent thinking and an overwhelming amount of good, common sense. Above all else, he is constructive in his public work.

**"FOURTH LINE OF DEFENSE"**

Judge Bale of Columbia Lectures at Chautauqua.

Judge Fred G. Bale, who comes to Chautauqua on the sixth night, is a courageous crusader for those things which make for a bigger and better community. He has a gripping lecture on things fundamental at the present hour, "The Fourth Line of Defense." It is a "fact" lecture, full of meat for the man or woman interested in tomorrow's citizenship, and is resplendent

In a sound advice and hopeful incentive for young and old, Mr. Hale is one of the biggest lecturers "binds" and carries a clear thinker, a hard hitter. His message is particularly valuable to the young and to those charged with responsibility for their welfare. Hear him—he's worth while.

Dr. and Mrs. Harry Irvine are leaving today for Springfield, Oregon, where the Dr. will practice his profession.

A boy who came from Oklahoma. But living now up near Tacoma, Caught a little striped cat. At least he thought it that. Now his clothing has a most distinct aroma. —Skeebink.

The dates of the St. Johns Chautauqua are coming on at a rapid pace and the big event will soon be here. A fine program has been arranged, more complete information concerning which will appear later. The dates are July 20-26.

If Mr. Harding and Mr. Cox will please call they may have a \$2.00 PANAMA HAT free of charge. ROGERS.

This is an event to look forward to, as a good program will be rendered by the children and all will have a good time. The children will sell admission tickets at 10 cents each. Mrs. Homelover:—  
The living room is the real center of the home. It should be cozy, and the furnishings should be substantial because it gets so much wear.  
Our store is the place to get substantial furniture. We always put quality first, because we know people would rather pay for something good, that will last a long time, and always look well, than buy something cheap and that looks cheap.  
Our QUALITY furniture and rugs are PRICED LOW. Come see.

Butter and eggs have a highly nutritive value and should have a prominent place on every table. But quality is an important feature to watch.  
Rich, delicious butter adds greatly to the tastiness of the meal, and we always have plenty, both creamery and country made. Cheaper grades for cooking.  
Our eggs come in fresh every day—right from the poultry farms. And we charge no more than you would pay elsewhere for inferior quality.
