Mrs. Nellie Phelps of Twin Falls, Idaho, and Miss Frances Boise of Salt Lake, Utah, were week end guests of Mrs. Neils Johnson last week.

Harry J. Simmons has returned from a three week's visit at Santa Anna, Cal. His wife will spend another month there before returning.

Mrs. Henry Fihn and two children of LaGrande, Oregon, returned to their home last Wednesday after visiting Mrs. Fihn's sister, Mrs. N. H. Johnson.

Mr. and Mrs. T. J. Monahan, Mrs. Benjamin and Mrs. C. P. Gates will motor to Quinabay Park tomorrow, Saturday, and take in the Evangelical camp-meeting there.

The St. John Community Club picnic will be held at Columbia Park Wednesday, August 25th. An enjoyable day is being planned which will consist of speaking and diversions of different kinds.

Invitations are out announcing the wedding of Mr. Samuel H. Graf and Miss Blanche Ann Edlefsen, daughter of Mr. and Mrs. P. H. Edlefsen, to take place Tuesday evening, August 24th, at her home, 1849 Williamette boulevard.

Construction of the extension of the St. Johns line of the Portland Railway, Light and Power company to Municipal terminal No 4 will start immediately, the contract having been awarded Thursday to Nelson & Brown for \$25,020.

If you have visitors at your home or some member of your family is away on a visit and the fact does not appear in the home paper do not put the blame on the editor, for he is not a mind reader. You are to blame. It is up to you to acquaint the editor with the facts. Do not let a false sense of modesty keep you from doing so.

Sunday, August 15th, is the Feast of the Assumption B. V. M. and will be celebrated at St. Clement's church with High Mass at 10:30 a. m. Immediately after Mass there will be a real Italian Spaghetti dinner served on the church lawn. There will be good music, singing, etc., and a pleasant afternoon is assured to all attending.

Currins serve you best. adv.

Why the Electric Cleaner

There is really no comparison between the ease and thoroughness with which an Electric Cleaner removed dirt and the difficulty of sweeping. True, one CAN clean rugs and carpets without an electric cleaner. A broom or carpet sweeper will brush up SOME of the dirt, and if you like the exercise and have plenty of time and strength a broom and carpet beater will do the work after a fashion. In the same way one can wash without soap. Water alone will remove some dirt if applied with enough "elbow grease." But people use soap because it cleans more easily and better than water alone. For the same reason people use Electric Cleaners because they clean more easily and far better than other methods.

Flour That Is Sure to Suit

There are so many kinds of flour and so many good claims made for each that it's hard for housewives to decide which to buy.

We can supply almost any brand of flour you want, but will be glad to tell you which one we believe you will like the best.

Poor flour is expensive at any price. The best is cheapest at the price we offer.
