### Pleasantly Surprised

Mrs. Wm. Maples of 1031 S. Syracuse street while putting up pickles last Wednesday, August 24th, was greatly surprised to see a number of her friends coming in her back door, each one carrying a suspicious looking package. When she inquired the cause of such curious behavior, she was informed that it was her birthday and she was forthwith invited to attend her own birthday party. Every one had a lovely time. Mrs. Maples received a number of useful presents. Those present were Mrs. C. M. Toole, Mrs. F. E. Farr, Mrs. Joe Miller, Mrs. H. Finch, Mrs. Emma Knowles, Mrs. Ellen Shaw, Mrs. Wm. Shaw, Mrs. J. Keltner, Mrs. J. Evans, Mrs. D. A. Wright, Mrs. H. S. Lindley, Mrs. Dena Patterson, Mrs. Lewis Likens, Mrs. F. Grow, Mrs. J. E. Grow, Mrs. L. W. Richter, Mrs. J. G. Helms, Mrs. Borden, Misses Ida Maples, Martha Maples, Mern Lindley, Katherine Richter, Thelma Miller, Edward Abertson, Robert Patterson, Charles Grow, Billy Likens, Lauretta Grow, Betty Likens.—Reported.

It is easy enough to be happy When life is a bright, rosy wreath,  
But the man worth while Is the man who can smile When the dentist is filling his teeth.  
—New York Times.

Because the largest livestock exposition building in the world is still not large enough to accommodate its Portland business, arrangements are being made to build additions to the Pacific International structure in North Portland and ground is now being filled in for that purpose.

If it shall appear to such Board that any land, lots or other property assessable by the Assessor are not assessed, such Board shall assess the same at the full cash value thereof.

# NEW MATERIALS FOR MAKING FALL CLOTHES

## New Patterns In Staple Fabrics

The fall materials are arriving and are being placed on display. The Dress and Suit Fabrics are selected with the view of having a variety of patterns and colors in moderate yardage so that if one dress is purchased from a piece the buyer need not have any fear that the particular pattern will be extensively worn in the neighborhood.

The new wash materials are attractive and the dyes more dependable than they were a year ago. Devonshires, Gingham and Percales are popular for House Wear and School Dresses.

### YARNS

The new yarns are now stocked and the colors more alluring than ever. Knitting is still a becoming occupation besides being a productive industry. We have priced these yarns at five cents per ball less than the prevailing price over town.

### Window Draperies

You will soon be considering making your home more homelike by freshening the windows with new curtains. Your home store has provided a selection of Scrims, Mraquizes and Swiss that will do the trick of hominess.

### Bed Clothing

Most people use up blankets and comforters for outing purposes during the summer and require new bed clothing for fall. And these too can be supplied at your home store at proper prices.

### YOUR BOY

If you have not bought that School Suit that will make your boy glad to associate with his fellows at school you have made a mistake. But our stock is still complete and you may redeem yourself.

### MEN'S HATS AND CAPS

In making our purchases of these head wearables we have stayed close to the moderate prices. Our endeavor is to get the very best article we can to sell at prices that are moderate. The new stock for fall is here and we can fit you.

## WHAT IS YOUR TIME WORTH

Most anybody's time is worth at least twenty-five cents an hour now and from that on up to \$1.75. It takes two hours to make the trip to the city and back. If your time is worth the smaller sum it means just half a dollar. Your carefare is 16c. When you add these items to the cost of your goods bought in the city, do you save anything? We do not think so; not when you can obtain almost any of your needs in St. Johns and many of them under the prices you pay in the city.

We mean this statement not only for our store but for any store in our district.
