## The Cash Grabateria Grocery

The Grabateria has provided for your Christmas dinner, and has also stocked a lot of hard Christmas candies. We invite the Sunday Schools and Churches to figure with us on the Candies and Nuts they expect to provide for the Trees.

We are confident by our regular weekly appeal to your reason that some day, you who are now using the old time method of buying your Groceries will give it up for a month and try the Cash Plan at our Cash Store. When we have conducted business both ways we certainly should know what we can do and what we do.

If you choose let us have your check for \$25.00 to be traded out during the month and we will make sales slips against this amount. Then compare the spending of that \$25.00 with the \$25.00 you have spent elsewhere. We have no misgivings as to the outcome.

We give your phone orders special attention; we give reasonable delivery service.

Colorado Springs, Colo., Nov. 23—Fried angle worms become the piece de resistance of collegiate luncheon in "little Landon" following Professor Lloyd Shaw's declaration today that they are a choice dish. During the course of a lecture Professor Shaw described the angle worm as consisting mainly of two fleshy halves covered by a small alimentary system and told pupils that there was no reason why it should not be eaten. A group of his pupils dug up a mess of angle worms, fried them in butter and presented them to the professor, who ate them with relish. Exchange.

The Harvester World: "Just because a company, a dealer, or branch house is sold out is no reason why it should quit advertising. When you stop advertising, all that you have done before begins to crumble and the time will come when you are not sold out and when you will need the power that is built up by advertising. A continuation of advertising continues this force and keeps it ready for emergencies."

William Waxmuth, son of Mr. and Mrs. F. N. Waxmuth of 210 West Cathin street, St. Johns, began his major work in dairy manufacturing this fall at O. A. C. Mr. Waxmuth completed his second year of basic training in agriculture last June. He is a member of the junior class and the Agricultural club. Mr. Waxmuth is taking up one of the most important phases of agriculture in the state and the Pacific northwest. It is estimated that one-sixth of the food supply of the nation is derived from milk and its products. There are approximately 23,000,000 dairy cows in the United States now. Dairying in the Pacific northwest has just started its development. The manufacturing course offered by the department includes practical and scientific work that is necessary to have in order to produce a superior product, which includes pasteurization, sanitation, testing, marketing, cheese making, butter making and factory management.

## Sensible Xmas Gifts

At this time we desire to suggest a few Christmas gifts that will not fade or wear out. You are cordially invited to call and see how many splendid gifts can be bought here on easy terms.

### Timely Suggestions:

That easy chair for father.  
The set of new dishes for mother.  
A smoking stand for the big brother.  
Ivory dressing table or writing desk for sister.  
A coaster wagon for the little brother.  
A rocking chair for the little sister, to be her very own.  
We even have a doll for the baby.

### Concerning Prices

Ask any one who ever bought merchandise at this store. We actually sell for less and try to give all we can for what we get—not get all we can for what we give.
