The St. Johns Community Club, which passed its first milestone and celebrated the event in befitting style Tuesday night, has had a very successful career. The community spirit was made very manifest and all the meetings held have been very enjoyable affairs as well as productive of much civic benefit. As was said at the meeting Tuesday evening by A. E. Jones, the Club was particularly fortunate in its selection of president. Mr. T. J. Monahan was the right man in the right place. It is doubtful if there is another man in the community who could have commanded and maintained the interest so well. Tactful, courteous and accommodating, pleasant and agreeable, he has made an admirable presiding officer. He has an abundant and outspoken love for St. Johns, and is vitally interested in its advancement and development. Coming to St. Johns many years ago when it was practically a wilderness, he has watched it advance step by step until it has attained its present superb growth and influence. What "Tom" Monahan, as he is familiarly called, has done for this place in his efforts for its advancement would require much space to record, and it is certain that this place is much the gainder by having him become a part of it as he did in the long ago, and he has never lost faith nor interest. That his splendid worth, faithful service and unswerving devotion to the interests of the club and community were realized and appreciated is attested by his unanimous reelection as president of the club, and under his guidance the club will no doubt accomplish still greater and better things during the second year of its existence.

## The Greater St. Johns Realty Co.

403 N. Jersey Street

We closed out several good sales last week which were too late to announce in the St. Johns Review, but will just mention the price was \$8,000, and this week thus far made two deals approximately \$8,000, so do not forget this office. I will also say while writing this ad, a letter came accepting a cash price I had put up for a client telling me to close the deal. It amounts to several hundreds of dollars. This is for the best vacant land in St. Johns and I will close the deal today. It is being purchased by one of our business men in St. Johns. So now if you want quick action, list your property with us, and above all do not forget the No. 403 N. Jersey street, opposite post-office, and NOT 403 South Jersey.

It will be remembered that The Greater St. Johns Realty Co. has entirely changed hands and the old original of fices are not in business at 403 N. Jersey any more, but the new officers are going to overhaul and fix it up to accommodate our patronage. Our sole intention is to do to others as we would like to be done by, absolutely a clean cut house. If you have an unfair proposition in mind to put over, take it elsewhere, but on the other hand, if you have a fair proposition bring it to us, and we will guarantee to unload it for you in a hurry—house and lots or vacant lots or farms of all kinds.

## HOW LITTLE---

You realize the important part good light plays in your daily life.

It may excite gaiety—or invite rest. It may annoy—or it may please.

Just as stirring music may fill you with one emotion, and a plaintive air with quite another, so lighting of the right kind, may help you work, help you play, help you think and help you relax.

It is not too much light that annoys, but the raw, unbroken rays, reaching your eyes direct from the dazzling filament of the lamp.
