Y. W. C. A. Notes

Make your Spring hat at the Y. W. C. A. millinery class on Thursday afternoon and evening.

All the girls clubs and parents are invited to a costume party at the Y. W. C. A. club rooms Saturday April 9th from 7:30 to 10 p. m. Be sure to come.

The Dependable Club with Miss Nelson leader held a slumber party at the club rooms Wednesday evening and hot waffles and syrup were served to seventeen, before they went to school.

Great interest is shown in the gym. class. A volley ball team is practicing to play with the Peninsula school team in three weeks.—Reported.

At the meeting of the Fraternal Boosters last Wednesday evening at the Moose Hall it was clearly shown that a larger hall is a real necessity, as the Boosters and their friends filled the hall. The representatives of the Maxam Shirt and Garment company gave the Boosters their assurance that the site showed them was satisfactory and that arrangements were being made to get the factory in operation in St. Johns as soon as possible. They will employ about 50 women at the start and expect to increase their force by at least that many more within six months. The Boosters are getting a glove factory interested in locating in St. Johns. The subject of a Fraternity Building was endorsed by every one present and a committee is out at present to get out plans and specifications. About 20 of the visitors joined the Boosters at this meeting. After the business meeting those present spent the rest of the evening dancing and getting acquainted. Are you a booster? Boost for the best part of Portland, your own community, and see how much good you can do for the other fellow. We meet next Wednesday evening at the Moose Hall at 8 p. m. Everybody cordially invited to attend. A business meeting followed by an entertainment of some kind which we hope will please all who attend.—Publicity Manager of the Fraternal Boosters.
