### Combination Range

We guarantee the Spark Combination Range to give perfect satisfaction, it cannot fail because it is a separate coal and wood range and a gas range combined in one complete range, which takes no more floor space than an ordinary range. The body of the range is cast iron. The fire box is large, has duplex grates for burning coal er wood. The top of this range has four 8 inch covers, and three gas burners. The oven is 18x17 inches. Oven door has white enameled cushion panel and thermometer. Stove pipe is behind the splasher back, and splasher is white enameled. The gas oven and broiler sets on nickel plated brackets above the range. The doors of the gas oven and broiler have nickeled frame with white enameled grill style front and glass behind it so that the cooking may be seen without opening the door. The price of the splendid 2 In 1 Range, installed complete is - \$19.50.
