

### Corner Stone Laying

The corner stone of the new Pioneer Methodist church was laid with impressive ceremonies last Sunday afternoon at 3 o'clock. A large number was in attendance to witness the ceremony. The structure will be an imposing one, most conveniently arranged along the most approved modern lines. It will make a handsome addition to the city as well as a splendid place of worship. Doric Lodge No. 132, A. F. and A. M., turned out in a body and had charge of the corner stone laying. The program was as follows:

Hymn by choir, which was announced by Rev. W. E. Kloster; prayer by Rev. Edward Laird Mills, editor of the Pacific Christian Advocate; anthem by the choir, "I Will Extol Thee;" laying of the corner stone by Doric Lodge No. 132, A. F. and A. M., with Dr. Wm. Wallace Youngson, District Superintendent, as the personal representative of the Grand Master of the Grand Lodge, Dr. W. J. Kerr, President of the Oregon Agricultural College, Corvallis, Oregon; with D. G. Tomasi as Grand Marshal and Rev. H. T. Atkinson as Grand Chaplain; solo by Lieut. R. L. Crane; address by Bishop W. O. Shepard, resident Bishop of the Methodist Episcopal church; address by Bishop Anderson of Cincinnati; hymn announced by Rev. F. N. Sandifur; benediction by Rev. A. R. MacLean.

Mothers' Day at the Christian church was a high day, the Bible school reaching high water mark, and splendid audiences both morning and evening. The services of next Lord's Day will be equally interesting.—Reported.

George school has a ball team to be proud of. The city was divided into two classes, A and B, for the Spring games, and George school team walked away with the silver cup in class B. The team is composed of: Captain and pitcher, Eddie Phillips; catcher, Joe Smith; first base and manager, Clifford Koth; second base, Russell Johnson; third base, Louis Snyder; left field, Harold Davis; center field, Darrel Murray; right field, Melvin Bartlett; short stop, Lawrence Wilson, with James Coy, Claude Wilson, and Harold Gilliam, three mighty good substitutes. The teachers of George school are giving luncheon on Thursday at noon with the base ball team and their principal as guests of honor. Much credit is due Principal D. J. Williams for his unflinching enthusiasm and hard work with the team.—Reported.

Mr. and Mrs. Frank Russell celebrated their twenty-fifth wedding anniversary Sunday, May 8th, at their home on 116 East Mohawk street. The rooms were tastefully decorated with Spring flowers. They were the recipients of many beautiful pieces of silver. The guests included were Mrs. Jane Finch, Mr. and Mrs. N. C. Finch, Mr. and Joe Miller and daughter, Mr. and Mrs. W. H. Armstrong and daughter, Mr. and Mrs. A. Bontin, Mr. and Mrs. W. Ball, Mr. and Mrs. D. W. Patton, Mrs. Henry Muck and Mrs. H. D. Pierson. After a bounteous dinner and a delightful afternoon the guests departed wishing Mr. and Mrs. Russell many more happy years of wedded life.—Reported.

John Kane has purchased one hundred feet square of ground at Baltimore and Ivanhoe streets through the agency of A. W. Davis, and will erect thereon three modern dwellings.

A committee from the Fraternal Boosters composed of Mr. and Mrs. W. E. Ashby, Mrs. E. F. Duffy and Mrs. Siefert, visited the St. Johns Terminal on Thursday of last week and had a very interesting time. Dinner was partaken of at the Terminal Cafeteria in company with Mr. Huntington and Supt. Ross. The committee was taken to the top of the elevator where they had a splendid view of what should be the big Fair site, and the location of the high bridge at St. Johns, when it is built. They were shown all the interesting sights in connection with the Terminal and enjoyed the trip immensely. They speak very highly of the treatment accorded them, and were given an invitation for the Boosters to celebrate Fourth of July at the Terminal grounds.

A number of young people came and quietly surprised Miss Dorothy Hedlin Friday evening, May 6th, at her home, 609 E. Richmond street. The evening was spent with music, singing and playing games. Refreshments were served and they all left at 12 p.m. expressing a very good time. Those present were Rita Beavers, Emily Larsen Gladys Lindley, Grace Rose, Alta McCumsey, Dorothy Hedlin, Theodore Bean, Lloyd Gillett, Frank Shacklet, George Thorp, Lewis Drake, Louie Bauer, Franklyn Hansen, Mrs. Kate Hedlin, Mabel Helind, Mr. and Mrs. Alfred Aronson and son Alfred.—Reported.

W. H. Tullos was advised on Wednesday that the sixth producing well had been brought in on his land, located about twenty miles northwest of Strawn. The new well is the sixth drilled on the place and every one has been a producer. This brings the present production up to 2,500 barrels on the Tullos' lease. Mr. Tullos' royalty will be around \$500 a day—not so bad even with oil at only \$1.50 per barrel. The lucky owner resides in Strawn.—Strawn, Texas, Tribune. Mr. Tullos is a brother-in-law of the well known realty man, J. F. Gillmore.

The many friends of Charles Crouch will be surprised to learn that he has joined the ranks of the Benedicts. He was married to Miss Maude Iman of Santa Ana, Cal., Wednesday, April 25th, in Los Angeles. They will make their home in Eureka, Cal., where Charles has charge of the card room of the Eureka Woolen Mill. He will be remembered as the oldest son of J. A. Crouch, former boss carder of the Portland Woolen Mills, and is a brother of Mrs. Harry Simmons. He has been residing with his parents in Long Beach, Cal., the past four years.

Four handsome new barber chairs of the latest design have been installed at Lewis Caldwell's tonsorial parlors this week. They are handsome in design and finish and possess self starters, accelerators and all the new fangled contrivances of the modern barber chair. Mr. Caldwell recently had his parlors completely overhauled, re-decorated and re-embellished, besides adding individual wash stands. The parlors present a particularly pleasing and inviting appearance.

S. C. Norton, formerly a popular citizen of St. Johns, and his wife, have returned from Fort Worth, Texas. Mr. Norton on one time was a prominent member of the old St. Johns city council at a time when things were doing, and was an active member of this community. For a number of years, however, he has been engaged in business in the Lone Star state. His many old time friends will be glad to welcome him and his wife back to good old St. Johns.

At the meeting of the Fraternal Boosters Wednesday evening various items of importance were presented. The Booster Band, organized a week ago, will be heard on the streets of St. Johns Saturday evening. The new park will be known as "Pier Park" and Commissioner and Commissioner Mr. Robinson of the Maxam Shirt and Garment Co., told the Boosters that offices would be opened in the French block today and that factory would move out about the first of June. This is a result of boosting. We hope every one gets the spirit and helps to locate another industry which we have in view. Follow the Band Saturday evening to our entertainment at Moose Hall. Boost for the Boosters and they will boost for you.—Reported.

The Bachelor Club base ball team met defeat at Gresham last Sunday by the score of 8-4. The game was played before a large crowd of enthusiastic fans and was more evenly contested than the score would indicate. Poor base running and several errors during the latter part of the game turned the tide in favor of Gresham, Tommy Lind and "Murph" Nelson shone for the club men by their steady playing throughout the game, and had it not been for their errorless support the score would have been much larger in favor of the winner. Larsen and Poff formed the battery for the Bachelors, while "Gummy" Teeling umpired, as usual. Next Sunday at Columbia Park a nine from Laurelhurst Club will furnish opposition to the club. The game will probably start at 11 a. m.
