all for the 1925 Fair

ST. JOHNS REVIEW

St. Johns Best Place of
all for the 1925 Fair

VOLUME 17

ST. JOHNS, PORTLAND, OREGON, FRIDAY, JUNE 3, 1921.

NUMBER 30

The St. Johns Chautauqua

The dates for the St. Johns Chautauqua this year have been definitely set for July 17th to 23rd. Among the attractions this season is Stefansson, the noted Arctic explorer, who is one of the headliners on the lecture list. A year ago Stefansson was under contract to appear on the Elison-White Chautauqua in the South and West, but he developed serious throat trouble and his doctors forced him to cancel the long speaking engagement. Unquestionably Stefansson is one of the biggest attractions on the American platform today. He has a remarkable story to tell of his many years in the Northland and he tells it in an exceedingly interesting manner. Another national celebrity, who makes his initial appearance on the Chautauqua this year, is Peter Clark Macfarlane, the well known writer. For many years he has been in the limelight as a prominent contributor to all the leading periodicals. He is said to be remarkably gifted as a speaker and his many readers will undoubtedly welcome this opportunity of hearing him. Two other feature events of the week will be the presentation of Willie Collier's New York comedy success, "Nothing but the Truth," and the coming of Lieurance's Little Symphony, a particularly fine orchestra organized by Thurlow Lieurance, the noted American composer.

On Decoration Day glowing tributes were paid to the heroes of the world wide war. But we owe a duty to the survivors. A special effort should be made to find work for the unemployed. Then think the matter over and when you go to the polls vote for the soldiers' compensation measure. While hundreds made the supreme sacrifice, those remaining at home received the highest wages and many finished paying for a home.

W. A. Carroll, G. H. Lemon and D. E. Vernon attended a smoker given by Washington Commandery Knights Templar May 24. The entertainment was given in honor of Royal Arch Masons. An interesting program was rendered and a tempting banquet spread.

ROGERS' SPECIAL now 50c.

Death of Mrs. Crouch

Mrs. Minnie Crouch, wife of John Crouch, and daughter of Mr. and Mrs. Jacob Henley, was born in Illinois January 6, 1870. She departed this life at their home at 1700 Willamette boulevard, Portland, Oregon, May 14, 1921, aged 51 years, 4 months and 8 days. The deceased was united in marriage with John Crouch of Illinois December 25, 1888. She leaves the husband and nine children to mourn her departure, all of whom were present. The children are: Mrs. Opal Righy of Portland; Mr. E. M. Crouch of Portland; Mrs. Reba Dykstra of Wolf Point, Mont.; Mrs. Monna Boyer of Williston, N. D.; Mr. B. J. Crouch of Portland; Mrs. Juanita Bellamy of Portland; and Lois, Horace and Willie Crouch at home with their father. Services were conducted at the Evangelical church of St. Johns by Rev. C. P. Gates at 10 a. m. May 18th, after which the remains were laid to rest in the Mt. Scott cemetery.

We're very lonesome, Mother, since you're gone. Sort of makes our lives all wrong. Not to hear your voice or see. Things the way they used to be. We miss the way you used to smile. Eyes quite a bit all the while. We miss the songs you used to sing—Guess we miss most everything. Gets so dreadful lonesome, too. Waiting for the time when we'll meet you.

The G. A. R. was organized April 6, 1866. Memorial day was established through general order No. 11, written by the then adjutant general, N. P. Chipman, and issued by General John A. Logan, at that time commander-in-chief of the G. A. R., designating May 30, 1868, as Memorial day. Since that time it has been regularly observed by all of the posts of the G. A. R. and their affiliated organizations throughout the United States.

Mr. and Mrs. Elliot Gordon of 1200 Lombard street will leave this week for Montague, Canada, where they will visit Mr. Gordon's mother. They will go by way of Prince Rupert and take in all the intervening points of interest. They expect to be gone for one year, and will no doubt have a most delightful sojourn.

ROGERS' sign at the ferry is under water.

Y. W. C. A. Notes

The B. T. G. club had a picnic at Columbia Park last Tuesday. The sewing class has been discontinued until the first of October.

The Rainbow club was happy to welcome Dorothy Walker back to the club last week. Ice cream was served in her honor. Dorothy has been spending several months in Oakland, Cal.

An entertainment is being planned by the clubs to be held at the building in July. This will take the place of the annual lawn fete at Mrs. Stearns' home.

Two Indian women, Misses Meek and DeLorio, graduates from Columbia University, and employed by the National Board of the Y. W. C. A., spoke at the local Y. W. C. A. last week, Tuesday evening, on their work with Indian women and girls in the Indian schools. Miss Meek delightfully entertained the audience with vocal selections and accompanied herself for an hour after the addresses.

Last Thursday evening a new club for business girls was organized and will meet every Thursday evening. The club is called The La-f-a-lot Club. All business and industrial girls are cordially invited to join. The purpose is to use the building for a social and recreational center. Miss Burma Pancake was elected president and Miss Beatrice Oss, secretary and treasurer.

How to beat the undertaker—You might commit suicide if you don't see Jack Campbell's stock of tires. Buy of Jack and he will never quack if you want your money back. You will say what fun; there is a place you can run and get the worth of your mon.

Will Give an Exhibition

Pupils of Williams, George and Sitton schools will give a public exhibition of manual and mechanical work with a display of domestic and household arts in the industrial building of the Williams school on Friday, June 3, afternoon and evening. The exhibit will include work done by the boys of the elementary technical course, six of which courses have been established in the manual training shops of the city during the past year. The work at this center is in charge of Mr. C. W. Comstock, while the work in domestic art is in charge of Mrs. D. Warner. A feature of the show will be a presentation of the household mechanics course, which is now a part of the manual training work of this shop. The boys will show work in elementary household plumbing, electric bell and electric lighting, glazing, etc. A practical working diagram for a five room enunciation system will be put in operation during the display. A cordial invitation is extended to all patrons and friends to be present and view this exhibit on the above named day.

Mr. Car Owner, get to this and own your own home and stop paying rent. This property is \$1600; will take your car for first payment, then you can pay off the balance at the rate of \$1500 including interest at 7 per cent. This is a very good buy and close in, a very suitable place, abundance of fruit and payments cheaper than rent. Think of it, only \$1500 including interest; it will only leave you about \$1100 to pay off. See W. T. Hartford, Central Hotel, St. Johns, Oregon.

Will Have a Float.

The Rose Festival Committee of the Community Club met in the Library Wednesday evening. Representatives of the Booster Club and other organizations were present and assured their support in having this place properly represented in the Floral Parade Wednesday of next week. It was decided to have a float, and through the kindness of Mr. F. C. Knapp, the handsome vessel that was exhibited at the Peninsula National Bank a couple of years ago, will be utilized as symbolical of St. Johns as a shipping and industrial locality. It will be attractively decorated and a credit to this important locality. Mrs. Hoskins, chairman of this committee, has accomplished wonders in marshaling her forces and securing rapid and splendid results. The people of St. Johns have been generous in the matter of flowers when called upon by the committee. It is requested that these donors cut the roses on the afternoon of the 7th and put in water with salt, so that they will be in perfect condition the following morning. Besides the float the kindergartens of the schools and Rainbow Club of the Y. W. C. A. will be in the parade. Any information desired concerning further details will be supplied by Mrs. Hoskins, Columbia 68.

St. Johns Council No. 2775, Security Benefit Association, will enter a floral float in the Rose parade. All members and friends are earnestly requested to bring flowers. All information will be given by calling Columbia 824, or call at 202 N. Jersey street, Gasser's Express office. We will do our very best to make our float as good as

the best of them. Our Council, as well as our city of St. Johns, will be brought to the eyes of the general public, as well as to give some of them an idea that St. Johns might be the logical site for the World's Fair. Our citizens must all try and pull together to help bring this place before the public eye. The men of the Council will meet at 619 N. Smith avenue Sunday at 9 a. m. to build the float. The ladies of the Order will decorate the float Tuesday or Wednesday. All members are requested to do their bit and help to the best of their ability.—Reported.

The following excellent method of preserving rose leaves, termed the Rose Leaf Potpourri, has been given us for publication: Place a two inch layer of fresh rose petals in a stone or glass jar with a tight lid, sprinkle with a good layer of salt, all you can hold in your hand; keep adding fresh rose petals and salt until you have four quarts. Let stand for a month or more before mixing with the following. Then toss the petals on a large platter to well separate them and add one half ounce of sachet of violet and the same amount of rose and heliotrope, one ounce of Orris powder, half ounce of rose geranium, ten drops each of oil of Bergamot, cloves and Eucalyptus, one teaspoonful each of cinnamon, cloves and mace, half pint of grain alcohol. Mix very thoroughly and pack away to ripen for two or three weeks.

C. W. Martin, president of the Portland Community Service Song League Association, and Mrs. Lou Gray, vice president of the association, will sing duets and solos and lead the congregation in singing next Sunday evening at the Congregational church, beginning at 7:45. Music will be accompanied by saxophone and violin. Everybody cordially invited.

Think This Over

Fourteen months ago a man opened a Savings account which action was due to a little missionary work along savings lines by ourselves. During the past month he purchased a home. We paid him a balance of **FIVE HUNDRED AND FIFTY DOLLARS AND FIFTEEN CENTS**. He had worked fifteen years and had been unable to save. We asked him if our plan paid. He said, "I'll Say."

To all our old customers we wish to announce that we have again been selected to represent the Oregon Packing Co. in this district. List your crops now; the fruit market is not as bright as it might be. Only a limited amount of fruit will be canned this year. We will take care of all our old customers, as well as the new ones. Watch the Review for new developments. See us at once so we can inform the company how much fruit to expect from St. Johns.
