THE ST. JOHNS REVIEW

A. W. Markle, Editor

Published Friday of Each Week
404 N. Jersey St. Phone Col. 321
Subscription price \$1.50 per year.

This Review is entered at post office in Portland, Oregon, as mail matter of the second class under the Act of Congress of March 3, 1879.

That the glorious Fourth will be celebrated in a most befitting manner was fully assured at a meeting of The Fraternal Boosters Wednesday evening. Representatives of various civic and fraternal organizations and business men were present and assured their cooperation. Harbormaster Spiers was also present and in a neat little address promised anything in his power toward the success of the affair. The celebration will be held at Terminal No. 4, the Dock Commission, City Commissioners and Supt. Ross having assured their support in making the event a splendid success. Delegations from the various organizations will meet next Tuesday evening to complete arrangements. Full information concerning the big celebration will be published later. A communication to the County Commissioners urging need of a high bridge here, and to accompany petitions for same containing over 1700 signatures was read and ordered sent to the commissioners. The ladies surprised the men folks by a fine spread of good things to eat, and the men retaliated by hustling around and securing ice cream and lemonade.

Chas. L. Graden wishes to announce that he has severed his connections with private corporations and will engage in the general practice of law with offices at 7-9 Gasco building, Portland, Oregon.
