### ELECTRICAL Housekeeping

Eight hours is insufficient time for human hands to perform all the household tasks. However, it is possible to establish the eight hour day in the home by making use of the electrical hands that are offered to you in the form of the electrical dish-washer, washing machine, ironing machine, vacuum sweeper and many other labor saving devices.

These "entiring" household assistants will do your work quickly and efficiently. Your home can be run systematically with these electrical hands for they never disappoint you or grow tired. Your time and energy can be devoted to the better things of life, when you keep house electrically.

# July Specials

Our fiscal year closes with the month of August. The last two weeks is the time we take for counting and measuring.

Before beginning that part of the work of taking stock, we shall get out all season end merchandise including Read-to-Wear and Yardage Goods and Shoes.

This has been a backward season and some good things are still in stock that would have been sold earlier had the weather been warmer. These are the things that will be reduced to such prices as will make it profitable for you to purchase.

There will be Muslin Night Gowns, Crepe Night Gowns, Skirts, Jap Crepe, Indian Head Figured Voiles and Flaxons. There will be Work Shirts, Specials in Men's Shoes and Hats.

### Watch Our Display Table for July-August Bargains

This Store will Close every Wednesday Afternoon, Commencing July 13 and Continue Throughout August.
