ANNIVERSARY SALE

Sixteen Years In St. Johns

The Pioneers In Business

September first is stock taking time with us; it is customary with all good stores to strive to make the inventory just as clean as possible. To do this we get out all the season-end goods and mark a reduction on them of such sum as will justify the trade in using them as season-end fill-ins.

Just as an inkling of what we are doing, some of the things are here listed.

THIS SEASON'S VOLIES

New Patterns and Designs, goods that were reasonable priced at the beginning of the season

55c Qualities Now	-	39c
75c Qualities Now	-	63c
80c Qualities Now	-	69c
85c Qualities Now	-	72c

Miscellaneous pieces and patterns in Voiles, Figured Flaxons and Crepes, none of them old or out of date but are left in stock because the season has been cool. Yet there will be hot days in July and August.

The prices on this yardage has nothing to do with what they cost us but we simply want a little money for our efforts and the public may have the benefit of the low prices instead of the goods being on the shelves another season. See What We Have For 19c, 23c, 39c.

SHOES

White Shoes for Misses and Women at the ridiculous price of \$1.00 a pair. Children's Canvas Shoes that sold for \$1, \$1.25, and \$1.50, now 57c. Children's White Buck Sandals (small sizes) while they last at \$1.00.

CLEANING OUT THE STRAW HATS

What we paid for these Hats does not matter to you. Priced now 95c. Reduction in work Shirts, Bargains in Boy's Suits eight to fifteen years. Men's Hosiery priced almost back to normal.
