## HOLD PICNIC

From the Scandal, Bachelor Club paper.

On the first picnic of the season held on July 21st, the program of sports proved to be the best ever. The first feature of the day was the regular flag jack race. The contest was very close but the two former champions, Zip and Tum, were forced to bow to the new crowned champion, Brother Tug. The latter consumed 26 flap jacks, however the last six had to be greased pretty heavily with butter to get them to slide down into his over-sized gizzard.

The annual football game was held as usual, only difference from last year being the use of an honest to goodness pigskin. Too much underground brains spelled defeat for Torpedo Fleet in favor of the Submarines. Brother Grit of the winners scored the first touchdown when he rammed his prow through the midships of a chaser. Brother Hat tied the contest with a brilliant run around the port helm for the Torpedoes. His run was remarkable considering his guns were the lightest carried by his fleet. But the submarines were not to be sunk by the torpedo fleet. Captain Grit of the Subs ordered all the TNT available loaded on his fastest craft, Brother Spokes. This brother took his bearings toward the starboard wing. His speed seemed like lightning as he dodged in and out among the enemy ships. Only one of the opposition remained between Spokes and the coveted goal. It looked as if the larger craft would run down our speeding submarine, but no, he was too swift and crossed the line and won for the Subs.

The much talked of baseball game between the Cooties and Cockroaches was won by the latter after a hard fought combat. There were several Babe Ruths present. Brother Zip of the winners being the star with two circuit smashes, also Fox, Bones, Lunk, Floozy and Rile were exorcists of four ply swats. The losers' star home run hitter was Tug, the sensational right fielder, who made a pretty catch of a line drive hit by Slugger Bones, only he dropped it. The other home run contributors were Dodo, Guff, Skoot, Hat, Grit and Spark. The latter drove the ball so hard that it buried itself in the sand right in front of the home plate and completed the circuit before the Cockroaches could find a shovel to dig it out. The features of the game were too numerous to mention, but the catching of Brothers Fox and Hat was on the sensational line. The pitching of Brother Jap was of the best and was well supported by fielding. Brother Grit and Skoot pitched for the losers, but they had such poor support that it made their pitching look poor. The game was well handled by Brother Gummy, who officiated in big league style.

The fishing season is nearly over but some people keep right on trying.
