The Bachelor Club play, "Let's all Get Married," will be staged in the High School Auditorium Saturday, November 5th, at 8:15 p. m. If you would avoid disappointment we would suggest that you make arrangements for seats without further delay, since the seating capacity of the auditorium is limited to 450, and the play is to be given on one night only. Many reservations for seats have already been made, so if you would count yourself among the fortunate 450 it will be necessary to act quickly.

In the foot ball game at Pier Park last Sunday Oregon City and the Bachelor Club battled through the four periods to a scoreless tie. Both teams performed in faultless style, with the visitors using the forward pass like college players. In the last quarter the local boys in a grim effort to score a touch down, forced the ball to Oregon City's 20 yard line. Here the time left to play forced the club to try three drop kicks, which all fell short or went to one side. The Bachelors are tied for the championship with Arleta, and play them November 13th. It has not been decided where the contest will be held.
