

An Enjoyable Occasion

Saturday evening, November 12th, thirty-two brothers from Laurel lodge No. 186, I. O. O. F., paid St. Helens lodge a fraternal visit. Everything went beautifully until we reached the ferry. Some one told Brother Powell to get his lights trimmed and bright through Scappoose, so we called Brother Woolley, and after half hour's consultation they decided Brother Powell could make it, which he did, but Brother Woolley did not fare so well. You know he is quite a speed demon and at times would imagine he was a De Palma at the wheel, and he would certainly go. Consequently, a few miles below Linnton his tail light refused to ride with him any longer, and when he reached Holton a police officer stopped him and told him to fix up his tail light. Brother Woolley tried to tell him what a good garage man he was, but he had to come through. Brother Corny had his troubles also. At every sign board we saw below Linnton Brother Haskell would cry out, "That is the road to Brother Churchill's farm." To please him we decided all roads led to the Churchill farm. We finally arrived and found about one hundred brothers waiting for us, and the good time they showed us will live long in our memories. At midnight we retired to the banquet room, where the sister Rebekahs served us to a sumptuous supper to the queen's taste, which we thoroughly enjoyed. Brother "Cutie" Groh tried to eat up all the pie, but when he found the Rebekahs were prepared for him, he quit at half a pie. At an early hour next morning we returned home happy and contented.—One Who Was There.

Boost and the world boosts with you; Knock and you're on the shelf— For the booster hates the knocker, And hopes he'll kick himself. Then boost when the sun is shining; Boost when it begins to rain— If you happen to fall, Don't lie there and bawl, But get up and boost again. —W. A. C.

Our Men's Department

—is just as much a Specialty Shop as tho it were under a separate roof. The goods are all bought by a man and are sold by men. The long years in business here catering to the wants of men has taught us what the men of this locality want.

We are not a high priced store, neither do we want the reputation of being a cheap store. Years of aggressive merchandising have put us in a class where we are offered such agencies as The Florsheim, as the Headlight Overalls, Racine Flannel Shirts, Wachusett Dress Shirts, Kenosha Underwear, and other lines of National reputation. The Florsheim advertising sent from the factory quotes that line of Shoes for Men at \$10.00 and \$12.00. We sell them at \$9.50 and \$10.00.

All the time we give you the benefit of declining market. We give you the advantage of credit to reasonable amount. In fact we conduct our business on the principle that we are the customer and deal with you as we like to be dealt with.

Keep in mind that you have to pay for the lure of the city, they have nothing on us in price, quality and service. The only advantage is a larger contingent to draw from which justifies a larger stock.

EVERY day more men are buying The Florsheim Shoe again, permanently. It's sound merits and reputation do not disappoint. Quality considered, The Florsheim Shoe sells at a relatively low price.
