Our selling prices are based on our buying power that is obtained by belonging to an organization of picked grocers.

Our output is large but when combined with seventy-five other first class Grocers you will realize our ability to give you prices on all lines that are always favorable.

We are personally on the job day after day; we look after your wants as we would our own. We are your friends and neighbors and could not afford to hold you up if we were so inclined.

Should anything go wrong at anytime, adjustment is cheerful and reasonable.

Try us out for a month; give us your check for \$25 and we will give you a coupon book for your daily purchases. Compare that month with your former grocery account and then decide who is your best Grocer.
