## WE HAVE SINCLAIR'S BACON

—did you know that? It is put up in Iowa from hogs raised and fattened on corn and has the real flavor. The difference between it and western bacon is as great as that between Oregon apples and California apples, as between Chinook Salmon and the common pink kind. Try a piece of it if you never have and see if it does not remind you of your childhood days in the middle west.

APPLES are still good and no higher. ORANGES are really worth more but we are selling a good large Orange for 35c per dozen.

Always remember if you find anything spoiled or unsatisfactory in what you buy of us we will make it good. Some stores will not do this with a good grace.
