

ST. JOHNS REVIEW

St. Johns Community Club

The St. Johns Community Club will meet next Tuesday evening, April 3, in the Y. W. C. A. building. A number of matters of civic importance will be taken up...

My neighbor, Hiram Henry Hicks, is fond of talking politics; that is a theme that makes me sore, so Hiram Henry seems a bore. But I'm the sort of sap-head wight who always strives to be polite...

I wish to announce to my friends and patrons that owing to the impaired condition of my health, I have decided to discontinue my business of hem-stitching, buttons and pleatings...

Never Give Up Trying

The greatest men in the world have not been without reverses. But they have come up again, strengthened by the struggle. Take General Grant, for one striking instance. He was a dismal failure for half of his life...

ROGERS really needs you.

Is in Good Condition

The Portland Railway, Light and Power Company is in the best physical and financial condition it has been in 8 years; it spent more money last year for improvements and betterments than in any year for the past decade...

Children's Farm Home

Appeals are constantly coming in to W. C. T. U. Headquarters asking for a place in their proposed Children's Farm Home for some needy little ones. These come in behalf of the half orphaned as frequently as for those bereft of both parents...

A Big Smoker

The Portland Woolen Mills Club will give another big smoker at their club house Friday evening, April 7th. They have been working hard and have secured several high class bouts...

The Tax Burden

The poorer you are the heavier the tax burden you bear, although you may not pay a cent directly in city, county, state or federal taxes. The indirect tax which you pay, however, which is included in the cost of producing every article you eat or wear is the largest single item in your cost of living...

The members of St. Johns Tent No. 62 of The Maabees will entertain the wives, sisters, daughters, sweethearts and all lady friends at an open meeting on Friday evening, March 31st at Moose Hall. Mrs. O'Brien, State Commander of the Women's Association of The Maabees will be in attendance...

Noah had to work a long time on that ark. It was uphill business, too, at best, building a boat away out on dry land, while the local Anvil and Hammer Club sat around spitting tobacco juice upon his lumber, whittling up his pine boards with their jack knives and telling him what a fool he was for expecting a big rain in a country that was too dry to grow alfalfa...

Aunt Dinah announced that, at the age of seventy, she was about to be married for the fourth time. "Dinah, Dinah," cried a friend, "you surely do not mean it?" The world was made in six days, but it has taken thousands of years to get desirable tenants for it, says an exchange. All starched Collars 20 cents. ROGERS.
