Business meeting of the W. C. T. U. was held at the library on Monday afternoon. All were glad to note the increased interest shown, more than twenty ladies being present. After a most interesting Bible study by Mrs. Williams all listened attentively to a most convincing talk in the interest of the Children's Farm Home by our State President, Mrs. Mallet. The success of this home which is being planned from a scientific standpoint is unquestioned.—Reported.

The regular meeting of the Williams Parent Teacher Association will be held in the school assembly Monday, April 10, at 3 P. M. President Mrs. E. P. Monahan will preside. Mr. Henry M. Grant of the Oregon Social Hygiene Society will speak on the subject of "Sex Education in the Home and School." It is hoped that a record attendance will be present to hear this splendid speaker. A short program will be rendered and refreshments will be served. The regular meeting day of this circle has been changed from the last Monday to the second Monday of each month. This meeting is for adults only.

April 4th the Altruistic Club, Pythian Sisters, spent a very pleasant day at Sister Eva Jones quilting a quilt. At noon dinner for 22 was served. After dinner a business meeting was called. Being close of the year, new officers were elected for the coming year: Sister Eva Jones, president; Sister Bertha Nelson, vice president; Sister Anna Clark, secretary and treasurer. Those attending were Mesdames Treher, Gromachey, L. W. Gromachey, Connant, Nellie Johnson, Grace Johnson, Barry, Beckman, Campbell, Nelson, Brice, Douglas, Hendricks, Teeling, Weimer, Dunsmore, Jacobson, Clark, Mae Clarke, Jones. A special meeting will be held next Tuesday, April 11, at Sister Eva Jones to finish quilt. All Sisters bring own sandwich. Next regular meeting will be held at Sister Bernice Gromachey, 1027 N. Leonard street, April 18.—Reported.

On Wednesday evening at the Community church, Frances M., the daughter of Mr. and Mrs. Henry L. Campbell, was married to John W. Peterson. The decorations were ferns, Oregon grape, palms and daffodils. At 8 o'clock Mr. Harry M. Fassett sang The Belouin Love Song. Mr. T. D. Elder, an old friend of the family, gave an instrumental selection. Mr. J. W. Jones, a friend of the bride, then sang "Because." Rev. D. E. Nourse took his place at the foot of the aisle. Immediately followed the wedding march. The procession was headed by Mrs. Ralph Campbell and sister as ushers, followed by Ralph Campbell as best man, and Alva Finroek, a cousin of the bride, as bridesmaid. Next came Mary Louise and Eleanor Elder as ring bearer and flower girl, followed by the bride and groom. A semi-circle was formed and the ring ceremony was performed by the pastor, after which the couple received the congratulations of the guests present. The bride wore white taffeta and a beautiful bridal veil and carried a large arm bouquet of pink roses. A reception was given at the home of the bride's parents, at which a very complete lunch was served. The young couple are well known in the community, the bride's family having lived in St. Johns for a number of years. Mr. Peterson was formerly of Pueblo, Col., but has been here for the past year, being employed by the St. Johns Lumber Company. Mr. and Mrs.

Why They Wear Out

Every battery has two kinds of wear—the natural slow wear due to use, and the more rapid wear that comes from abuse.

Keep the proper amount of water in your battery by putting in a little every two weeks. Test with the hydrometer to make sure there's enough charge. Come in to Battery Headquarters at the first faint sign of trouble.

Then your battery will wear out slowly and gradually, giving you uninterrupted service at lowest cost per month and per mile.
