The REVIEW is entered at post office in Portland, Oregon, as mail matter of the second class under the Act of Congress of March 3, 1879.

The newspaper is becoming more and more the logical medium for national advertisers, said Thomas L. Emory, Pacific Coast manager of the American Newspaper Publishers' association, who was in Portland last week on a business trip from San Francisco, his headquarters.

The lower Peninsula district presents two candidates for the office of County Commissioner. The first to announce was Dow V. Walker, and now A. A. Muck has signified his determination to make the run for the office. There are two Commissioners to be elected this year and as both local candidates are persons who can be relied upon to give the best there is in them to the county's welfare, why not give them both the united support of the Peninsula district?

Easter services at the Pioneer M. E. Church: The Sunday school will have a short session from 9:45 to 10:15 o'clock. The Easter program: Song by congregation, "Oh, Day of Joy and Gladness; Invocation; Young People's chorus, "This is the Crowning Day;" responsive Scripture reading; song by Primaries, "Welcome Spring;" anthem by choir, "He is Risen;" exercise by junior boys and girls; song by Primaries, "Little Brown Bulb;" song by Junior boys and girls, "What is the Message Easter Brings?" Primaries (a) The Bird's Nest, (b) Bible drill; Young People's chorus; address by pastor; baptism and reception of members; anthem by choir, "Christ Our Passover; benediction. No service in evening. Everybody invited to the tabernacle at 3 o'clock and 7:30 p. m. You should not fail to hear George Wood Anderson.—Reported.

Wednesday evening, April 12, at the Community church, Miss Elva Finck was married to Mr. Thos. R. Hall. The ring ceremony was performed by Rev. D. E. Nourse. At eight o'clock Mrs. Nourse sang "Oh, Promise Me," accompanied by Veda Carley. Immediately followed the wedding march. The groom entered with Mr. Elmer R. Maples as best man, followed by the bride and Frances Peterson, a cousin, who was bridesmaid. The bride wore a dark blue traveling suit and carried a bride's bouquet of lilies of the valley and violets, while the bridesmaid carried a bouquet of sweet peas and lilies of the valley. Following the ceremony the guests were welcomed at the home of Mr. and Mrs. Ralph Campbell, cousins of the bride. At 9:30 a lunch consisting of sandwiches, cake and punch was served. Miss Finck was for some time an employee of Bonham & Currier. Mr. Hall is employed at the Rose City Flour Mills. Mr. and Mrs. Hall will reside in St. Johns and will be at home to their friends after April 20.—Reported.

Y. W. C. A. Notes
Sewing and millinery classes at the building on Monday evenings. Any one wanting help in these classes is invited.

Mrs. C. A. Morden donated 17 acres of land on the Clackamas River to the Y. W. C. A. for a summer camp for girls. All the girls are making plans for their summer outing at this beautiful place where swimming and fishing will be the chief sports. A camp kitchen will be made and other conveniences are in progress. Two programs are under way to be held at the building to raise money for the trip.

The local Y. W. C. A. committee has been enlarged, including a representative from each church and Parent Teacher circle. The reason for this is to promote a wider interest in the local work and greater co-operation with the churches and other organizations. Mrs. C. A. Morden is the chairman and they meet the first Wednesday afternoon in each month. The members are as follows: Mrs. G. W. Overstreet, Mrs. J. O. Bailey, Mrs. E. F. Merritt, Mrs. Fred Couch, Mrs. George Hall, Mrs. Ed. Monahan, Mrs. A. M. Stearns, Mrs. A. Bedgood, Mrs. H. W. Bonham, Miss Beatrice Rundall, Mrs. R. G. Brand and Mrs. J. M. Shaw. This committee has planned a Mother's Day program for the first Wednesday in May, to which all mothers are invited. A later notice will be given.

ANNOUNCEMENT: Fisher's Blend Flour and Cereals will be demonstrated to the people of St. Johns for one week beginning on Monday, April 17th, at the St. Johns Grocery, 202 South Jersey street, corner Leavitt. Come! See what the demonstrator has good to eat.

Be Sure About Your Battery

No matter what kind of a car you drive or what kind of a battery there is on it you have to keep posted on certain battery facts.

You have to know whether your battery is charged to the proper point—whether it has enough water in it—whether each of the cells works properly.

Our most important job as a Battery Station is to tell you these things. It doesn't make a bit of difference what make your battery is. Here at Battery Headquarters we give every make exactly the same attention.
