## OIL COOK STOVES

**T**HE Florence Oil Cook Stove lightens kitchen work. Burns kerosene. Cooks, bakes, and roasts at the same time, and economically, too. No wicks to trim. No valves to leak.

Let us show you how the powerful burners direct the intensely hot blue flame close up under the cooking and why the Florence means more heat and less care.

**More Heat Less Care**

FRESH VEGETABLES are better now in spite of the weather. The Sweet Potatoes coming from the Gulf Section are especially fine and cheap. Spinach is reasonable in price and good now. Potatoes are no higher and being used in great quantities.

JAMS, JELLIES AND PRESERVES are in demand now and very low in price.

SYRUPS are going fast, too, as it is the proper season. Try a can of the Maple Flavor Karo. It is different from any other syrup and is moderate in price.

CANNED PINEAPPLE, PEACHES, APRICOTS AND PEARS are delicious and not expensive this year.

CANNED SALMON AND SARDINES, CLAMS AND FISH FLAKES are nice to change to.

This bad weather you will find it very convenient to phone your order in.

An interesting program was given by the Christian church at their regular monthly business meeting held at the home of Mrs. G. W. Overstreet Wednesday evening, April 5th. A paper on our mission work in the Philippines was read by Mrs. Imhoff. Mrs. Faxon gave a talk on our work in Porto Rico and Jamaica. A special feature of the evening was the address given by our state secretary, Mrs. Swope, on the value of missionary work. Special music by Mrs. Overstreet and Means was enjoyed by all. The rooms were tastefully decorated in the society's colors, lavender and white, with Oregon grape as a pleasing contrast. During the social hour dainty refreshments were served to more than thirty guests.—Reported.
