

The Coming Age

These things shall be: a loftier race
Than e'er the world hath known shall rise,
With flame of freedom in their souls
And light of science in their eyes.
Nation with nation, land with land,
Unarmed shall live as comrades free;
In every heart and brain shall throbb
The pulse of one fraternity.
New arts shall bloom of loftier mold
And mightier music thrill the skies,
And every life shall be a song
When all the earth is Paradise.
—Contributed.

Mr. Stadelman gave a talk on his experiences in Alaska at the Community church last Friday evening. There are not many men living today who remember from personal experience the North as it was in the early days. Fourteen days without food was one of the experiences told of. The talk was interesting to the last. A collection was taken and the proceeds went toward the new song books.
