The REVIEW is entered at post office in Portland, Oregon, as mail matter of the second class under the Act of Congress of March 3, 1879.

Mrs. Agnes Carey of Deer Park Wash., is visiting at the home of her daughter, Mrs. I. J. Ogden, at 2080 Willamette boulevard.

Tomorrow, Saturday, is the school election. All qualified voters should cast their ballots. The need of more and better facilities is unquestioned. By voting the bond issue such facilities may be acquired. The duty of each voter is plain. Do your duty tomorrow.

We desire to express our appreciation to the friends and neighbors for their kindness and sympathy during the illness and death of our beloved husband and father. Their kindness will never be forgotten.—Mrs. Anna Severance, Mrs. Hazel Wood, Lewis Wood.

The following students having successfully completed the work as prescribed for the grammar department of the public schools of this city, were graduated from the James John evening school on June 15th: Bessie Lorena Mabley, Louise Parent, Leroy Searburg, John Herzog, Felix G. Thurman, Ernest B. Carlson, Harry W. Titzloff.

Laurel Lodge No. 186, I. O. O. F., accompanied by Laurelwood Rebekah Lodge No. 160, I. O. O. F., will hold their annual Memorial service Sunday, June 18th, at Pioneer M. E. church, near public library. All Odd Fellows and Rebekahs, especially members of Lodges mentioned, to be present at I. O. O. F. hall at 10:30 on said date.—E. Connant, Rec. Sec.

Mrs. J. I. Barr of 424 Bristol street is just recovering from the surprise she received last week, Thursday, when a crowd of her friends dropped in on her birthday. They brought a delicious luncheon and a shower of beautiful presents. Those present were Mrs. D. Wright, Mrs. J. Floyd, Mrs. Knight and children of Portland, Mrs. A. Treher and two little sons, Mrs. Perry Shepard, Mrs. L. Gates of Lents and son, Mrs. Ben Peterson, Mrs. Bancroft of Portland, Mrs. D. E. Nourse and little daughters and her sister Miss Jennie Grover, Mrs. Williams and children from Portland, Mrs. J. Garris and two sons, Mrs. A. Huff from Lents and three little daughters, Mrs. J. E. Hiller and Mrs. M. B. Green. Unlike most surprise parties, this was a complete surprise.—Rep.

Perhaps there are a few beginners among amateur Radio fans who have not yet met the disastrous experience of burning out an audion tube. If there are such this warning, added to the cautions of many similar articles in newspapers and radio magazines may save a five spot where it could be put to much better use than that of replacing a tube which at present functions very satisfactory. "Don't confuse the wires of your 'A' and 'B' batteries," says Mr. Roche, local representative of Willard Storage Batteries. "The 'B' battery delivers," continues this battery expert, "from 24 to 100 volts, according to the number of units hooked up together, and a current of this voltage passing thru the filament of a vacuum tube, which is made to burn on six volts, will melt it quicker than a flash. The operator may never know the damage he has done until he finds that the tube does not light when the 'A' battery is connected up."

### Preserving time—and a cool kitchen

Make canning time a real pleasure this year by using a good oil cook-stove. It concentrates a steady, controlled heat directly under the utensil. Your task is shortened and your kitchen is kept cool, clean and comfortable.

To insure best results, use only Pearl Oil—the clean-burning, uniform kerosene—refined and re-refined by a special process.

Sold by dealers everywhere. Order by name—Pearl Oil.

The music alone is worth the price of a season ticket.
