

# ST. JOHNS REVIEW

### Meeting of Pioneers

The Pioneers met as by invitation at residence of Mr. and Mrs. Gordon Ogden on the regular day—the second Tuesday of June. Many of the old Pioneers did not answer roll call. New members filled their places in a way. Mr. and Mrs. Knight from Dallas, Earl Hoyt, Mattie Wolfe and Mr. and Mrs. Gordon Ogden were added to the list of new members. A Scripture reading was given by Past President Mrs. Rose Hartman Benjamin followed by prayer by Chaplain T. J. Monahan. Mrs. Ernst of Vancouver, Wash., was elected President. The business of the meeting being over, we were conducted to the dining room, where a sumptuous lunch was served. The afternoon was too short for all, and the time for leaving for their several homes came to soon. Every one expressed their enjoyment of the meeting. Snap shots were taken on the lawn. The next meeting will be held at the home of Mr. and Mrs. Earl Hoyt the second Tuesday of June, 1923. Pioneers please remember and be present at roll call.—A. J. Hanson, Sec'y.

Chief Engineer B. B. Hegardt of the Public Dock Commission has been ordered by the commission to prepare plans and specifications for the construction of a warehouse in connection with pier No. 1 at municipal terminal No. 4 with a floor space of 61,200 square feet to be used as a storage warehouse for apples. This warehouse will either be supplied with refrigeration equipment or will be arranged for ventilation storage. The commission also directed him to prepare plans for the construction of a pier shed on pier No. 1, to connect with the proposed new warehouse. This pier extension will provide a frontage on the river of 600 feet or sufficient to accommodate one large vessel. The proposed improvements are contemplated to meet the needs of handling larger shipments of grain and apples over this terminal. Indications are that apple shipments will be far greater this year than they were last year when approximately 700,000 boxes were exported from this port, and grain shipments will also be much greater than ever before in the history of the city.

Expert Kodak Finishing at Currin's. All work in before 8 p. m. ready next day at 6 p. m.  
Men's Suits \$18.50—ROGERS.  
Sure we're out of the high rent district.

### Death of W. H. Nolen

William Henry Nolen was born April 26th, 1847, near Hopkinsville, Ky., and died June 18, 1922. He was aged 75 years, 1 month and 22 days, and served in the 17th Kentucky Cavalry during the Civil War. He leaves a widow and three children, John R. Nolen of Canadian, Texas, and Ada Ward Clark of Corvallis, Oregon, by a former wife, and Miss Minnie L. Nolen of Beaver, Oregon; also five grand children and two great grand children, of which two grand sons served in the late World War. He spent his last days at the home of his daughter and son-in-law, Mr. and Mrs. R. C. Clark, who nursed and cared for him during his last illness, assisted by his granddaughter, Mrs. Katherine Ward Nippold, who gave him every comfort possible. He was a kind husband and father and conscientious and upright in all his dealings, his motto in life being the Golden Rule. His pride was to be called an honest man, following the footsteps of the Good Nazarine.

Plans are under way for a picnic for the Community Sunday School. Definite announcement will be made next Sunday. At the morning service next Sunday the Whitney Boys' Chorus will sing. In the evening the Christian Endeavor service will be combined with that of the church. The meeting will begin at 7:30. One of the young people will be in charge. The regular C. E. topic, "Duties," will be the subject. Special music is arranged for. At the close of the Young People's part of the program the pastor will give a short talk, following the thought of the first part of the evening. It is the plan to make these services an hour and a half long, and if they are successful to make them the order for the Summer Sunday evenings.—Reported.

Dr. Jerome H. Whisler, wife and little son motored down from Centralia, Wash., last week and spent several days visiting relatives and friends. On the eve of his departure for home every one was made very happy by the arrival of Hugh, the Doctor's brother, who has been attending Stanford University the past year. It was a real family reunion, as Hugh has been in California over two years. He will spend his vacation here and return to college in the Fall.

Radio Instruction Books, from 10 cents to \$1.50 at Currin's.

### Corner Stone Laying of the New High School

Corner stone laying of the new Roosevelt high school will take place tomorrow, Saturday, afternoon, 2:30, with appropriate ceremonies. This should be a gala event in St. Johns and the whole community should turn out in honor of this important epoch in the community's history. The Masonic Order will have charge of the corner stone laying and the Community Club will assist in the program. A band will be on hand and a large number of out of town visitors will no doubt be in attendance. Among the relics to be placed at the corner stone laying will be a few minor coins of 1922, roster of the school board and pupils and faculty of the high school, Masonic directory of the city of Portland and minutes of the meeting, also copies of the Oregonian, Telegram Journal and St. Johns Review.

Paul Bannan of near Cleveland, Ohio, who is spending the summer with his brother, Petie White Salmon, was a pleasant visitor at this office Wednesday. He is here to take in the Rose Festival.

1—\$4.95—ROGERS.

### Y. W. C. A. Notes

Save Saturday evening, June 24th for the Girl Reserve play entitled "A Commanding Position." Thirty-four girls are in the cast, and if you want to laugh, come. The girls are selling tickets, which may also be obtained at door—25c for adults and 15c for club girls and children under 12 years.

The operetta given by the Rainbow Club last Saturday evening was a great success. The girls sang their parts well and the costumes were effective and beautiful. They were assisted by a splendid accompanist, Mrs. R. G. McCall, Miss Lola Murphy as music director and Margaret Holbrook as dancing instructor.

Any information regarding the camp for girls may be obtained by calling Col. 1296 or Col. 57. Camp folders are ready for distribution.

Next week on Thursday at 10 a. m. all the girls' clubs will meet together for a picnic at Columbia Park. Meet at the Y. W. C. A. Building and bring baskets.

Don't forget the play Saturday night.

Bathing Caps 25c to \$1.25. Currin Says So.

### Boost

Boost your magic, boost your friend, Boost the Lodge that you attend. Boost the streets on which you're dwelling, Boost the goods that you are selling.

Boost the people round about you For success will quicker find them. If they know that you're behind them.

Boost for every forward movement, Boost for every new improvement. Boost the man for whom you labor.

Boost the stranger and the neighbor; Cease to be a chronic knocker, Cease to be a Progress blocker; If you make your magic better, Boost it to the final letter.

—Contributed.

Mrs. E. M. Fields and daughter of LaMour, North Dakota, are visiting with her sister, Mrs. W. A. Carroll. They are taking in the Rose Festival and will remain here the greater part of the summer.

### DAINTY WATTEAU GIRLS TO ENTERTAIN AT CHAUTAUQUA

Varied Program With Bushels of Fun to Be Given.

Mirth and music—thus may be epitomized the program of the Watteau Girls who will appear at Chautauqua with their delightfully costumed program. Each of these young ladies is particularly gifted along dramatic lines and are students of Eliaz

Day of Chicago, perhaps the best known dramatic coach in America. Dramatic skits, some clever little instrumental variations, and bushels of wholesome fun, round out a program of popular appeal. In quaint costumes of Seventeenth century court ladies they open their fascinatingly original program. The Watteaus will entertain Chautauqua folks on the afternoon of the fifth day.

Motor vehicles carrying passengers or freight have been directed by the public service commission to come to a full stop before crossing the tracks of any steam railroad or electric railway. The order, which was issued as the result of investigation of numerous collisions between trains or electric cars and motor vehicles by the bureau of accidents, says: "Such stops to be made not more than 75 feet from the nearest rail of the crossing and at points where the clearest view of approaching trains or cars can be had." The driver is then directed to "carefully look in each direction for approaching cars or trains" and is not to proceed until it is ascertained the crossing may be accomplished in safety.—Houtzdale (Penna.) Citizen.

Radio Fans! Get your instruction books at Currin's,—10c to \$1.50.
