The Review is entered at post office in Portland, Oregon, as mail matter of the second class under the Act of Congress of March 3, 1879.

The Sweet Pea Show held under the auspices of the St. Johns Community Club in the Y. W. C. A. building Wednesday was a fine success. A profusion of beautifully tinted sweet peas were in evidence. They presented a most pleasing and alluring appearance upon the well arranged tables and claimed the admiring attention of the visitors during the afternoon and evening. It was clearly demonstrated that St. Johns has few if any equals in sweet pea growing. The following are the prize winners: Single Color Class—Mrs. R. Kloster, first, \$10; Mrs. Ed. Boyce, second, \$7.50; Mary E. Stevenson, third, \$5.00. Largest Bouquet Class—Mrs. C. T. Board, first, \$10; Mildred Sears second, \$7.50; T. E. Dowling third \$5.00. Best Mixed Class—Mr. H. Peck, first, \$10; Mrs. R. Kloster, second, \$7.50; Mrs. J. A. Monahan, third, \$5.00.

The judges were D. E. Brodahl, Grace B. Hiestand and S. P. Rolph. The radio concert and orchestra music in the evening were greatly enjoyed.

H. B. Compson W. R. C. met in regular session July 1 (first and third Saturdays are the regular meeting days). A goodly number was present and eight of the nine delegates were present and reported the best time of their lives at Newport at the State Encampment of the G. A. R. Mrs. Cheyne of Tacoma was a visitor. She was a former member of this W. R. C. but now a member of J. A. Logan W. R. C. of Tacoma, Wash. We were glad to have her with us again. Also Mrs. Sallie Nolen, past president of H. B. Compson W. R. C., who is living in Beaver, Ore., and had taken her transfer card, was present and reinstated. We are in hopes she will return to St. Johns and make her home with us. Saturday, July 15th, will be our next meeting in the I. O. O. F. hall. Every member is requested to be present, as the report of State Convention will be read.—Rep.

**HE HAD NEVER HAD A STOMACH!**

Uncle Ben Says:  
"Better music than the ring of money is the ring of health in your voice."

Health Talks by—DR. H. O. BROWN  
A western mining engineer was being interviewed by a magazine writer. Though he had spent his life at it he criticised everything and refused to see anything interesting, hopeful or human in mining. Then the interviewer switched to the subject health. The truth came out. The mining engineer had never had a stomach. He was tortured and soured by everything he ate.

When there is stomach trouble of this character, the cause is in the spine, as otherwise a change of diet, or a reduction in the amount of food would give relief. The chiropractor by chiropractic spinal adjustments of the vertebrae pressing upon spinal nerves to the stomach lifts the pressure and Nature restores normal digestive vigor. A good stomach makes an optimist.

Recommends Chiropractic for all Stomach Troubles  
"I was troubled with ulcers of the stomach and was in a hospital for an operation, but was too weak. Then I tried chiropractic spinal adjustments and now I am feeling as good as ever. Therefore, I highly recommend the adjustments to those afflicted with stomach troubles."—J. J. Schneider, Chiropractic Research Bureau, statement No. 1304H.
