The Altruistic Club, Pythian Sisters, held a pleasant all day meeting with Sister Oihus Sept. 5th. Piecing a quilt was the work of the day. A very appetizing dinner was served at noon. Those attending were Sisters Nelson, Brice, Jones, Maxfield, Clark, Jacobson, Swift, Hendricks, Beckman, Johnson and the hostess. The next meeting will be with Sister Maggie Phillips Sept. 19th at 1009 S. Leonard street, when all are requested to be present, as there will be work for all.—Reported.

The Pier Park football team, 135 pound city champions, will turn out for their first practice Sept. 17th at 9:30 a. m. The prospects for another championship team this year are better than ever, as the backfield will undoubtedly be the fastest in the city. So far the following players have signified their intention of trying out: "Shorty" Frank, "Salty" Groh, "Spokes" Marlett, "Bat" Lind, K. Catto, Jimmy Bean and "Shorty" Mitton. "Pad" Shaw and "Grit" Lind, who will handle the coaching end request all players wishing to try out to report at Pier Park Sunday morning.—Reported.

The home of Dayton Harris, 1021 N. Kellogg street, was the scene of a quiet though happy wedding last Tuesday afternoon, when Thos. A. Lind was united in marriage with Miss Flossie E. Harris, Dr. H. F. Jones performing the ceremony. Miss Mabel Pratt acted as bridesmaid, while D. J. Lind acted as best man to the groom. The bride's mother served the guests with an elaborate dinner, after which the young folks left for a short honeymoon at the beach. They will make their home in St. Johns upon their return. The newlyweds are well known here, and their many friends join in wishing them all joy and happiness for the future.

A very pleasant surprise party was held at the home of Mr. and Mrs. M. W. Gattion, 236 West Mohawk street, Saturday, Sept. 9th, in honor of the 20th birthday of their daughter, Lillian. She was the recipient of many beautiful gifts. The evening was spent in music, dancing and games. Refreshments were served at 11 o'clock and all reported a good time. Those present were: Carmen Royer, Grace Royer, Catherine Royer, Florence Hebert, Emma Seibold, May Cognu, Eileen Barry, Nellie Hatt, Maxine Gattion, Lillian Gattion, Jack Rice, Emile Hebert, John Camard, Ray Seymour, Earl Gattion, Bill Gattion, Mr. and Mrs. A. V. Purkapple and Mr. and Mrs. M. W. Gattion.

Mr. J. N. Edlefsen, president of Peninsula National Bank, accompanied by Mrs. Edlefsen, has just returned from an extensive motor trip throughout the Sound cities. Their trip extended as far north as Vancouver, B. C. During the course of the trip Mr. F. P. Drinker, vice president of Peninsula National Bank and president of Peninsula Security company, and Mrs. Drinker joined the party. The beautiful drive through the Hood Canal to Port Angeles and Lake Crescent was enjoyed, from which points the trip was extended to Victoria and across to Vancouver Island and Vancouver, Bellingham and Seattle were also visited on the return trip, thence through Pasco, Yakima and Goldendale, crossing the Columbia at Hood River and completing the drive over the Columbia Highway. The object of the trip was principally in the interest of business, and Mr. Edlefsen reports very favorable conditions with a general feeling of optimism prevailing throughout the points visited.

# MRS. FRANK A. RICE

Instructor of the New and Improved Method of Music Study  
ANNOUNCES THE REOPENING OF HER STUDIO

412 S. Edison Street, cor. Richmond

Investigation Costs Nothing!  
Comparisons Are Necessary!

Educate your children to be real musicians that they may be equipped to turn to their music as a source of livelihood instead of being mere piano players.  
Each difficulty is presented in such a thorough manner that a child of 10 or 12 years of age can master transposition, scale building, melody writing by dictation, Dominant Seventh, Cadences and Modulation.  
The muscles of the fingers, wrists and arms are strengthened by table technique, later developing Leschetzky.  
Ear training, sight reading, foundation harmony form a part of each class lesson, thereby developing all sides of the Science of Music Study.  
Mrs. Rice will be glad to show you BY APPOINTMENT the especially made apparatus for teaching this system which includes one hour class lesson and ½ hour private lesson, making a far more economical way of acquiring a musical education.  
Classes for beginners 2:30 Monday.  
Intermediate grade Tuesday, 4 o'clock.  
Visit and see children at work and compare the new way with the old.
