### "Gloria" Coffee

New Crop Oregon Walnuts are in but the ones from the South have not come yet. New Pigs are in and the Dried Peaches. The Peach Crop was the best ever this year and the Dried ones are fine.

Bacon, Lard and Sugar are going up right along and it seems everything in the food line will follow. It looks as if Flour was a good thing to buy just now as it has not started up yet.

One of the most satisfactory things we carry is the Brookfield Cheese. It is the best full cream cheese made west of Wisconsin and for any one who likes a new, mild cheese, as the majority of Americans do, it is a delight, why not ask for it as it costs no more than poor cheese?

Good apples are coming in now at a very reasonable price, and it pays to buy them by the box as they will keep. Good Pears are still to be had and Grapes are plentiful and reasonable.

The school girls of St. Johns have at various times felt a little bit jealous at the Boys' Chorus and have wished there was a Girls' Chorus. Well, such a thing has commenced and all are welcome to get into same. There are weekly rehearsals at the Baptist church on Friday evenings at 7:45. It is not only for girls but a mixed chorus of both boys and girls. Come and help along. The plan is a Community Chorus for Christmas of several hundred children. Mr. Kreckel, last year's director of the Whitney Boys' Chorus, has charge.—Rep.

Extraordinary interest is being displayed in the coming smoker staged at St. Johns Woolen Mills club house, which is going to be held Friday evening, Oct. 27th. Phil Turner, the Canadian middle weight champion wrestler is finally going to get a chance to show the wrestling fans how good a wrestler he is. He agrees to throw Fireman Orchard twice within one hour or forfeit the match to Orchard, and as they are going to wrestle winner take all, it should be a humdinger of a match. Orchard has been training faithfully at the fire hall and says he is in the best of condition for the match, but if there is anybody in St. Johns who wants a workout he'd be only too glad if they come up to the fire station, and he'll take them on one and all. E. Hanzel, also of St. Johns, is going to take on Tom Brown of Astoria, a heavyweight, in the semi-windup, and there is going to be another good preliminary. There is no question but that the initial smoker of the season staged in St. Johns is going to be a good one. The price of admission is 50c for ladies and \$1.00 for gentlemen.—Reported.

A program, refreshments including "punkin" pie, and dancing for those who desire to dance, are planned. The St. Johns Study club met at the St. Johns branch library on Wednesday of last week. Discussion of the present unclean condition of some of the streets in the district resulted in the appointment of a committee consisting of Mrs. P. A. Getz, chairman; Mrs. J. N. Harney and Mrs. B. F. Huson to bring the matter to the attention of the street cleaning department. Mrs. E. S. Harrington read a paper on "Northwest Fiction Writers," which was followed by discussion. Mrs. Frank A. Rice, 412 S. Edison street, on Wednesday afternoon, entertained Mrs. Alice M. McNaught, Democratic nominee for State Legislature from Multnomah county. Mrs. Rice is strong in her praises of Mrs. McNaught's candidacy and platform, standing as she does for only such legislation as will be for the good of all of the people, favoring a graduated state income tax on twenty-five hundred dollars and up, and believing that political education is patriotism paramount. Mrs. McNaught states that what we need is a democracy—a democracy to secure a just balance of masculine and feminine minds in all legislative bodies, as woman's mind and ideals, coupled with those of man, cannot fail to be productive of great and lasting good to society. Mrs. McNaught has proven herself to be possessed of leadership, a woman of strong personality and with the courage of her convictions, all of which are necessary in a representative of the people.
