Ballot No. 85 X

Paid Adv.

Republican Nominee for CONGRESS

**C. N. McARTHUR**

Mr. McArthur has worked tirelessly for Oregon, particularly for rivers and harbor development. He introduced and secured the passage of legislation establishing the Columbia River Naval Base.

He introduced and secured the passage of measures which are protecting Portland's water supply from contamination.

He occupies a position of influence at the capitol, a position it would take years to attain. Why change? Why replace him with a new and untried man?

Paid ad. by Republican Congressional Campaign Committee, 1207 Yeon Building Portland, Oregon.
