## GLORIA COFFEE SINCLAIR'S BACON AND HAMS

We have added Sinclair's Fidelity Hams to our stock and to get them introduced will sell them without profit for a short time. The Fidelity is their highest grade and this time of the year a good Eastern ham is a treat.

The Christmas Candies are coming in fast now and we have a larger stock than we ever had before. We handle more candy than any store on the Peninsula, perhaps, and sell it as cheap as we can afford to. You will save money by getting your candies of us as we sell lower than the big stores over town. The same can be said of all kinds of nuts.

Raisins are much cheaper than for several years and the small seedless raisin in bulk is the one in common use. They have taken the place of Currants to a great extent, but we have the latter as well.

Apples are still the leading Fresh Fruit and the Spitzenberg is the best variety just now.

Sweet Potatoes are still fine, and at 7 lbs. for 25c they are a cheap food. Potatoes and Cabbage are good now and so cheap it makes one sorry for the man who had to work and raise them.
