THE ST. JOHNS REVIEW
H. L. RAY, Editor and Publisher
Published Friday of Each Week
404 N. Jersey St. Empire 0321
Subscription on price \$1.50 per year.

THE REVIEW is entered at post office in Portland, Oregon, as mail matter of the second class under the Act of Congress of March 3, 1879.

Make your New Years resolutions early and keep them late.

When a good thing comes along for our town, we should all shove over and make room for it.

All that is saved by giving scant measure will enrich no one. The world wants the brimming cup of service and I will reward it.

Come to think of it, the safest place we know of is a donation to the Bachelor Club for charity distribution. Their record in this line warrants our saying so. Look 'em up and you will come to the same conclusion.

The war clouds are scarcely lifted until they reveal a darker and more ominous clouds. Now when the Greek-Turk affair has quieted down—to a certain extent—up comes the French government with its ultimatum regarding indemnity due her from Germany. At the present time she is about ready to seize the German Ruhr district. Such action on her part, as received by authoritative critics, would precipitate the world into another war on a large scale. The average person expresses the hope that the whole affair may be cleared up without getting any closer to the brink of war.

WHO WILL GET THE MONEY?

Millions will be turned over by the government to the holders of government securities during the coming year.

What will become of this money? The sharpest brains in the country are studying ways and means to get hold of it.

Will the savings of a life time of many individuals be dissipated in speculative undertakings about which the prospective investor knows nothing?

If you were sick or had matters which needed legal attention you would go to a doctor or lawyer as a matter of safety. By the same token, when you have financial matters to consider it is essential that you consult your banker or bond dealer before letting go of your hard earned money in an investment of unknown quality.

The regular annual election and installation of officers was held in the Masonic hall by Dorie Lodge No. 132 A. F. A. M., Dec. 20th, with the following officer elected and appointed: W. M., Ross Walker; S. W., C. B. Russell; J. W., W. S. Ormandy; Treas., F. P. Drinker; Secy., A. W. Davis; S. D., D. H. Knowles; J. D., E. P. Borden; S. S., C. C. Curran; J. S., E. F. Monahan; Marshall, F. W. Mossman; Chaplin, S. Chas. Davis; Tyler, D. M. Burson; Kitchen Stewards, S. L. Dobie and H. A. Dimick. Dorie Lodge has just passed a very successful Masonic year.

Members of Dorie Lodge, No. 132 A. F. & A. M., were guests of Minerva Chapter, No. 105, O. E. S. on Tuesday evening in Masonic Hall at an informal reception. A tiny Christmas tree and Christmas decorations adorned the refreshment tables.

Monday, New Years day, all business houses in St. Johns will be closed as has been the custom in past years.

BACHELOR CLUB BANQUET

The fourteenth annual banquet to be given by the Bachelor Club will be put on in the Club quarters Saturday of this week. This promises to be a lively affair and will be attended by practically the entire membership, both active and honorary. Entertainment preceding the banquet is being lined up so as to make this affair better than those of the past. Norman Nelson is chairman of the committee and is figuring on placing 60 covers.
