MEMBERSHIP OF ST. JOHNS
COMMUNITY CLUB

Mark has been added to the achievements of the St. Johns Community Club and its members. All that has been accomplished as the result of the efforts of many of the members.

There are several reasons why a club should become a member.

First: The Club is desirous of having a spirit of friendliness in the meetings, which is evident in all meetings.

Second: The Club is desirous of having a spirit of friendliness in the meetings, which is evident in all meetings.

Third: The Club is desirous of having a spirit of friendliness in the meetings, which is evident in all meetings.

Fourth: We pay taxes, and we are interested in how the money is spent and why it should be spent.

Fifth: When representatives of an organization are in the Club, they are more likely to be interested in the matters at hand. The Club in Portland, in turn, is in charge of all affairs.

In general, the Club is in charge of all affairs.

We wish you all a Happy and Prosperous New Year.
