A Real Light Story
It was a normal Portland gray Spring day. Mrs. H was having a good day doing Saturday chores around the house when she noticed she was out of **Neodymium** bulbs. Soon she arrived at the Lightbulb Playroom. She walked in and said, "I was in such a good mood at home. Now I feel depressed and grumpy. This gray weather gets to me." She then spent some time selecting her replacement lamps and adding some special lights for decoration. During the time she spent under the full spectrum lights in my store, she began to feel better. When she was ready to leave, she turned around and said, "Your lights restored me." Come to the playroom and see how just a short time under these lights can help you feel better.

Gerald had many jobs in his lifetime. He was a truck driver, owned a service station for many years and he retired at 62 from being a Longshoreman for 20 years. Gerald was an avid hunter and fisherman his entire life. He hunted with his father and brother growing up in Wisconsin and with his brother and sons when he moved to the Pacific Northwest. He ran a commercial fishing boat for years and fished with his sons in their boats until a few years before his death. He loved the outdoors and always had a big garden and loved his rose bushes. Gerald was a member of the Rocky Mountain Elks Foundation, National Rifle Association and Elks and Moose organizations. Gerald loved his family and was adored by all of them. He was very witty and could tell jokes and stories all day long. He was larger than life and will be missed immensely by everyone who knew him.
