Casey Von Wecker

Casey Von Wecker, AKA, Case, C-Dub, 39 years old, passed away at his place of residence in SE Portland on Wednesday March 25, 2015. Casey was born in Portland,

Oregon on September 8, 1975 to Tina Davis and Steven Wecker. He attended and graduated from Holy Cross Area School in North Portland. The oldest of four children, he truly played the role of big brother, always caring for and guiding his younger siblings. Casey was an exceptional athlete and played baseball with Portsmouth Little League from T-Ball through seniors, making the all-star team each year. He also played CYO basketball and football throughout his adolescent years. Casey's friends tell many memorable stories about his many athletic feats on and off field and court.

Casey went to Roosevelt High School, where he played football for Jim MacDicken, (Coach Mac), making first team all-city and baseball for Coach Jeff Hollaman. He graduated in 1993 and later became an assistant coach in both programs, where he helped coach his brother Isaac and many other North Portland youth. Casey continued his education at Chemeketa Community College in Salem, Oregon where he played two years of baseball for the Chiefs. He went on to finish his education at Portland State University.

Casey was well known and respected in the North Portland Community. He had a kind and loving spirit and great compassion for his family and friends. He was an avid mushball player, organizing his own team for a couple of years. If he wasn't playing a live game of some kind, he was an enthusiastic sports spectator and could quote verbatim basketball, baseball and

football statistics of local high schools, colleges and professional teams. He also had a great love of rock music and attended many live concerts. Casey worked at several different jobs including sorting mail at UPS.

Casey is survived by his father, Steven Wecker of Portland, his mother and step-father, Tina and Chuck Bork of Medford, his brother and best friend, Ike Wecker, his two sisters, Sara and Karina Wecker and three nieces, Madeline, Zeldia and Hanna; also by his God-parents, Charmaine McKinney of North Portland, and Tony Palmer of Gresham, Oregon. He also leaves behind many loving aunts, uncles and cousins. He is preceded in death by both sets of his grandparents, Raymond and Pauline Wecker, Paul and Ruby Davis, his uncles Duncan Davis and Sam Porter, and his step-brother Jeff Bork.

A memorial service will be held at Holy Cross Area Church on Friday May 8, 2015 at 1:00 pm. Immediately following will be a celebration of Casey's life at the Eagles Lodge located at 7611 N. Exeter Ave. A luncheon will be served. In addition, a memorial mushball tournament and picnic will be held at Columbia Park the following day, time and details to be determined.

In lieu of flowers, a donation to NAMI, National Alliance on Mental Illness can be made, contact information following: 1005 E Main St, Medford, OR 97504

Many thanks to the staffs at Central City Concern, the Portland State Hospital, Portland Adventist Hospital and CODA House on East Burnside for the care and love they gave Casey.

John Henry Calvert Sr. passed away on March 25, 2015. He was born in Sprague Washington in 1928 and is survived by his wife of 27 years, Jean, his sister Jane Bogus and his children: Karen Locassio, Donna Bucy, Barbara Humphrey, Joan Tenderella and John Calvert Jr. He is also survived by nine grandchildren, 15 Great-grandchildren and two great-great grandchildren, and many extended family members and friends.

John was a merchant Marine during WWII, and after the war he

entered the arena as a golden glove boxer from 1946-1948.

John owned his own landscaping business, John H. Calvert Co. Landscaping and General Contracting, for several years before he retired in the late 1990's.

He was an honored member of Doric Masonic Lodge #132. He later joined the Shriner's Mounted Patrol where he was able to help raise money for the Shriner's children Hospital.

He traveled extensively with the Patrol all over the northwest doing parades and fund-raisers. He later joined the Mustangs Unlimited car club with his 1973 Boss 351 Ram Air, which became his pride and joy. He traveled to car shows with the many trophies acquired with that car. He loved to make unique things with his hands to include a six-wheel, six-man all terrain vehicle. John had a great love for all types of animals domestic, wild and working.

A Real Light Story

It was a normal Portland gray Spring day. Mrs. H was having a good day doing Saturday chores around the house when she noticed she was out of Neodymium bulbs. Soon she arrived at the Lightbulb Playroom. She walked in and said, "I was in such a good mood at home. Now I feel depressed and grumpy. This gray weather gets to me." She then spent some time selecting her replacement lamps and adding some special lights for decoration. During the time she spent under the full spectrum lights in my store, she began to feel better. When she was ready to leave, she turned around and said, "Your lights restored me." Come to the playroom and see how just a short time under these lights can help you feel better.
