PICTURE OF THE WEEK WINNER

This picture was submitted by Betsy Valle

The fabulous picture above was taken by Betsy Valle and depicts spring as we swing into a beautiful St. Johns' summer. Of course the beloved St. Johns Bridge is in the background. The other winner in this issue is the picturesque shot in the Masthead (page 1) taken by Melissa Bartoszewski. Just beautiful.

Photos appearing in the Photo of the Week and the paper's Masthead on page 1 are submitted as part of the paper's contest and are eligible for the contest in December. For more about the contest, and it's \$100 prize, see page 2 for a complete list of rules.
