North Portland Neighborhood Services offers small Grants Program 2016

The Office of Neighborhood Involvement (ONI) and North Portland Neighborhood Services (NPNS) are offering a grant funding opportunity through the City of Portland's Neighborhood Small Grants Program. They invite neighborhood associations and community-based organizations in Portland to apply.

The goals of the grant program are to: Increase the number and diversity of people who are involved and engaged in their communities and neighborhoods; strengthen neighborhood and community capacity to build community leadership, identity, skills, relationships and partnerships; and increase community and neighborhood impact on public decisions and community life.

They encourage applicants to consider projects and programs that involve building strong community participation, and that create partnerships between neighborhood, business, and community-based organizations. Engagement of historically under-represented and under-served communities is a high priority for this grant program. Projects should engage and benefit community members in the North Portland Neighborhood Services district.

The submission deadline is Monday, November 2, 2015 by 2:00PM and applications received after the deadline will not be accepted. Applications must be submitted in person, or via electronic submission to:

North Portland Neighborhood Services, Historic Kenton Firehouse, 2209 N. Schofield, Portland, OR 97217, Attn: Mary Jaron Kelley, or mary@npnscommunity.org
