

days earlier and believed this was a similar case so they drove to the area near the residence on North Oswego Avenue. Officers found the stolen United Rental truck and the previously identified suspect, 34-year-old Dustin Eugene Hall. Hall was arrested and booked into the Multnomah County Jail on charges of Unlawful Use of a Motor Vehicle (two counts), Unauthorized Entry into a Motor Vehicle (two counts), Criminal Mischief in the Second Degree (two counts), and Criminal Trespass in the Second Degree (two counts). Detectives were able to determine that one of the excavators found at the North Oswego Avenue address was reported stolen out of Clackamas County. On February 18, detectives served a search warrant at the North Oswego Avenue residence, discovering that all of the construction equipment was reported stolen -- one case in Portland and two in Clackamas County. The suspect, Hall, had already been released from jail on the first set of charges and was home so detectives arrested him again on the new charges. This investigation started with great work by North Precinct officers. Officer Miller did a great job of linking the two original calls together and identifying Dustin Hall as the suspect. 34-year-old Dustin Eugene Hall was booked into the Multnomah County Jail on charges of Aggravated Theft in the First Degree and Burglary in the First Degree. Portland Police Bureau detectives would like to thank the Construction Industry Crime Prevention Program of the Pacific Northwest (CICP) for their assistance in this investigation.
