thorough trial and deem it all that it is represented to be. I used it specially for treating some skin cruption or little watery lumps that appeared on a horse's neck and shoulders. After using about half a package of your powder the lumps completely disappeared and left his skin as clear and smooth as velvet. As a blood purifier I have never yet mel its equal, therefore I take great pleasure in recommending it to all horse owners.

Yours respectfully, W. Fixe.

Champion Blood Porifier on a mare suf-fering from some skin disease and urin-ary trouble. Less than one package cured her completely, in fact, made a new mare of her. As a blood purifier, I have never used its equal, and being gnaranteed free from arsenic, copperas, etc., I consider it doubly valuable and would strongly recommend its use by all horseowners and breeders Yours very truly, Fard Painter.
