The harvest is here and seems to be a good crop this year. Everything looks flourishing. Not many lice on hops and the honeysuckles which were so badly affected last year are free from the ver-min, causing those who cut down their honeysuckles last year to feel sorry.

FINNICAN'S Disease Preventative or Blood

The following are a few of the many testimonials vouching for the efficacy of this great remedy: of this great remedy:

Ouggos Crry, April 6, 1893.

A. H. Finnigan. Dear Sir:—I have used your Disease Preventative or Champion Blood Purifier and given it a thorough trial and deem it all that it is represented to be. I used it specially for treating some skin cruption or little watery lumps that appeared on a horse's neck and shoulders. After using about half a package of your powder the lumps completely disappeared and left his skin as clear and smooth as velvet. As a blood purifier I have never yet met its equal, therefore I take great pleasure in recommending it to all horse owners.

Yours respectfully, W. Ping.

Ouggos City, April 26, 1893.

Yours respectfully, W. FINE.

ORGON CITY, April 26 1893.

A. H. Finnigan. Dear Sir:—I have
used your Disease Preventative or
Champion Blood Purifier on a mare suffering from some skin disease and urinary trouble. Less than one package
cured her completely, in fact. made a
new mare of her. As a blood purifier,
I have never used its equal, and being
gnaranteed free from arsenic, copperas,
etc., I consider it doubly valuable and
would strongly recommend its use by
all horseowners and breeders.
Yours very truly, Fran Paixes.
